

The Hidden Fire

One day, there was a huge fire in the middle of the road. To put it off, someone had poured a lot of ash over it.

It looked as if it was gone, but it was still hot underneath. A man who did not know about the fire walked by and stepped on the ash, thinking it was cold.

His feet got burnt, and he was in pain.

In the same way, we have a fire of jealousy hiding in all of us. No one can see it, but it can destroy us and the people around us.

We must not
be jealous.
