

HAND LOPPER

2 IN. BYPASS HAND LOPPER

Jameson 2-inch bypass hand lopper is an ideal choice for big cutting tasks. The fully-hardened stainless steel blades are designed to provide a cleaner cut for living, green growth. The HL-BP200 can cut branches up to 2-inches in diameter. Durable steel handles feature soft, cushioned grips and a shock-absorbing bumper for all-day comfort.

- Ideal for cutting green, living growth like tree branches
- Fully hardened, precision-ground blade stays sharp through heavy use
- Rust-resistant, low-friction coating helps the blade glide through wood and prevents it from gumming up with sap and debris
- Cut capacity of 2-inch branch
