**FRP The 12/4 4% increase has been recalled

These increases are due to manufacturers announcements. J&B Materials will continue to honor our job quotes if already awarded, or awarded to J&B and accepted by J&B Materials within the 30 day period from date of quote creation. For help budgeting through the balance of 2017 and beyond please contact your J&B Materials sales representative.

Thank you for your constant support and business. We look forward to continuing to serve you with excellent customer service as our #1 priority.

Sincerely,

J&B Materials
A GMS Company
