SUMMARY

I graduated from The Iron Yard, Indianapolis and am currently contracting with DeveloperTown.

I am intrinsically motivated to contribute as a collaborative team member, energetic problem-solver, and continuous lifelong learner.

EXPERIENCE

Software Engineer, DeveloperTown

Indianapolis, Indiana — 2016

Built production Rails 4 apps. Used front-end JavaScript APIs: jQuery, Google Charts and Highcharts 5. Met with clients. Led client meetings. Used Pivotal Tracker & git for Agile development. Maintained consistent responsive design with Bootstrap/Sass.

Student, The Iron Yard

Indianapolis, Indiana — 2016

Completed Ruby on Rails immersive program. Worked on full-stack web applications.

English Professor, Universidad de Bolivar

Guaranda, Ecuador — 2015

Taught English. Built curriculum. Trained teachers.

Workforce Developer, AmeriCorps VISTA

Denver, Colorado — 2013-2014

Led internship program.
