

## **PART A: MESSAGE FROM THE TRIAD**

Greetings, Beloveds, it is the Triad, Collective Consciousness of the Triad of Lord Metatron, Lord Michael, and Lord Melchizedek.

This specific Triad has been a significant Collective Consciousness that you have drawn on repeatedly in this past year. And we are delighted to focus our energetic individually as well as Collectively, so that you might benefit from this Collective Consciousness and merge with it.

Now, we will go into this a little more as we proceed in tonight's message. The message will be brought forth through that individual expression of Lord Melchizedek. However, the Triadic configuration remains intact and present.

## **[1:25] PART B: MELCHIZEDEK MESSAGE**

Greetings, it is I, Lord Melchizedek.

I am honored to be here with you this evening in this beautiful Collective that we have created in our Sphere of Consciousness. As a Lord of Light, I am very interested in relaying some foundational concepts that we will expand upon further, as we move on in the next few months.

You will be conversing with us often, and we will be talking about the Wisdom, the Wisdom of you at a SoulSpirit level, the Wisdom that you possess. When you took on this embodiment, Beloveds, you took it on understanding the great restrictions that a 3<sup>rd</sup> dimensional body presented to you at that Spirit level. But it was decided, when you took on this embodiment into these denser realms to be of service to Humanity and to the Earth, that you would come in with some very specific Master Imprints within that SoulSpirit of yours.

Now these were not conscious to you as long as you were anchored in that 3<sup>rd</sup> dimensional body. But all of this has changed, Dear Ones, because of your diligence, your tenacity, and your courage to alter the body, to bring in more Light into the body, to begin to access the voice of your Soul, and then eventually start the merging of the Soul and the Spirit, as you worked with the Light Body energies of 5<sup>th</sup> Dimension. This changed everything!

There was a descent in the body of the 8<sup>th</sup> chakra, the Higher Mind, that blessed Sacred Mind of you at a Spirit level. The OverSoul is very present and guides you often. But let me explain to you that that OverSoul of you, as well as the Christed OverSoul, has a Wisdom within it because of these Master Imprints that you at that Spirit level possess, have possessed for eons of time. They are part of who you are.

[5:15] And so, now that you have altered that 3<sup>rd</sup> dimensional body and are now operating in a 5<sup>th</sup> Dimensional body, your Light Body almost complete now, you can be more conscious of the Wisdom of those Imprints of your Spirit. Part of this is gleaned when you start to remember yourself from that Spirit level and the vastness of your lineage. And this is facilitated by the activation of the Seed Crystals. Those Imprints become very accessible.

Sometimes, they surface unconsciously, in a conversation. You will be speaking with someone, a friend who travels the same path of consciousness as you do, and you will be discussing a topic. And all of a sudden, you will express a knowledge that you didn't know that you had. And you may even think to yourself, "Where did that come from!" Or you may assume that an Archangel or a Master whispered it in your ear. That is totally untrue. This is you.

The Wisdom that you hold is beginning to surface in a more conscious way. You have mastery and consciousness around how to live life in a body. But a greater portion of that Wisdom of you at that SoulSpirit Master Imprint level, a great portion of it is still at an unconscious level and surfaces from time to time in the most unexpected times.

We ask you, now, to pay close attention to those events, and, if possible, to document them, so that you might gather the seeds of that Wisdom and begin to make it more consciously available to you in your daily life. This is an important step, Dear Ones, in your evolution.

Let me draw your attention to something that happened in the 11-11 conference of Mastering Alchemy, when you were told, "There is no separation any longer between the Lords of Light, the Archangels, the Masters, the Elohim," ... that "We stand with you Heart to Heart, shoulder to shoulder." And this true. But there still was a bit of discrepancy in the frequency and the vibration between you at that SoulSpirit level and the many Collective Consciousnesses that you have access to.

That leeway is being diminished, because now you are capable of operating very stably in that 5<sup>th</sup> Dimension, accessing/using 6<sup>th</sup> Dimension, 7<sup>th</sup> Dimension. The Wisdom of those Master Imprints are now more available to you.

And we wanted to bring this to your attention, because it is a very important step that you have taken. And many of you have taken it unconsciously because of the events that transpired in the Crystal Conference, where you opened three specific Time Locks of 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Dimensional Light Templates.

[10:33] These Light Templates are extensive and very impactful. And this brought you to this very moment of the Truth of who you are. You have begun to allow the genetic lineage of your 3<sup>rd</sup> dimensional body to fade away, to drop away. It's not that you haven't valued it, because there are specifics of that lineage that were of value to you. But now, you are stepping into a much vaster lineage.

Melainah spoke of the Light Packets that you individually received in the 2016 Crystal Conference. And you were asked, at that individual level, to place those in specific chakras, to allow your SoulSpirit Guidance to place each one of those Packets in a specific chakra.

As Melainah has said to you, these Packets are states of consciousness. And they will vary from individual to individual according to that Master Imprint that you carry, so that these specific Light Packets can further upgrade the frequency and vibration of that 5<sup>th</sup> Dimensional body.

Now, these Light Packets are not just small little packets that have a prize in them. They are massive states of consciousness, Master Consciousness. And the result of using and applying those Light Packets as the individual Christed Image is very productive.

They also relate to further DNA strands as well as the Collective Soul Imprint and the Group Wisdom of this Collective Group. So, we will be talking about this on numerous occasions. But we ask, in the coming weeks, for you to start to recall what those seven Light Packets were that you placed in your chakra system and in which chakras you placed them.

I know that it has been some time and you may have forgotten on the surface level. But if you will take the time to contemplate this, or, if you made notes in that conference or after the conference, if you journaled, refresh your memory through your journal. If not, sit very quietly and enter your Sacred Heart Consciousness, enter the Wisdom of your SoulSpirit, and allow that Consciousness and that Spirit to guide you to where those packets are in your chakra system and any specifics that might surface in relation to what those Packets were.

Now this may not and probably will not come all at one time. It will take some due diligence. But I assure you – if you will do this practice, it will be very fruitful to you.

A lot is happening and will continue to happen in this coming year. When that 7<sup>th</sup> Dimensional Light Template was opened, everything changed..... and you stepped into an accelerated Path of transformation: body, mind, Spirit.

[16:14] So, in the coming weeks, allow yourself to continue to connect with the Inner Earth communities, especially the Luminaries that stand around that Christed Matrix within the Earth, and the three Star Gates of Arcturus, Sirius, and the Pleiadians, because these Gateways give you access to the Andromeda Galaxy that resides in the 15<sup>th</sup> Dimensional Consciousness and is a very valuable resource. So, there is a lot to tend to in the coming weeks before we meet again.

So, as Beings of Light, Christed Image individuals, Masters with Master Imprints, this Journey is guided by the Collective Consciousness of the Triad and the Lords of Light. But YOU are the Masters who are retrieving every aspect of who you are through the memory codes that are now available to you and those other Beings, be they Inner Earth Beings or certain Star Gate Beings, who will help you and assist you when you develop more communication within those axiatonal lines. So a lot depends on how much focus and attention you put on discovery.

There is no rush here. The Journey into self-discovery is just begun, because you are just now beginning to discover a level of Mastery you did not know existed two years ago.

So, before we close, we would like lead you in a closing meditation.

[19:01] **PART C: ENERGY MEDITATION**

So, take a deep breath...

Get very centered in your Sacred Heart...

Centered in your Mastery...

Centered in your SoulSpirit,

in the midst of all those vast Imprints.

Recognizing that you possess a 5<sup>th</sup> Dimensional body,

and keeping that in the forefront of your consciousness.....

As you focus your attention in your Sacred Heart,

in the Illumination of your SoulSpirit Consciousness,

Notice the Beauty of who you are in that expression...

It is in noticing the Beauty that your Sacred Heart is filled with Love,

Love of Life,

Love of Earth,

Love of Self.....

In that state of Love, you have full access to the Undifferentiated Element of Love.

You ARE pure Undifferentiated Light at this very moment.....

It is the state that you were created in, in pure Light and pure Love.....

[21:55] Many stand in awe, for you had not noticed this previously.....

The Beauty of what Source created in you is now fully shown to you.....

The Love that you feel is beyond words.....

The Light that you see is beyond words..... [Pause]

Sit in the Ecstasy of this moment..... [Pause]

We are truly One in this Collective Consciousness,  
Heart to Heart..... [Pause]

Blessings, Beloveds, Blessings!
