

### **IMPORTANT POINTS from Session 11 on 7-11-17**

1. Post conference, we'll be working with activating the Wisdom in our individual Mastery Imprints of our SoulSpirit level, now residing in the physical body.  
The Seed Crystals facilitate our remembrance of our Wisdom and what we are.
2. The descent into the body of the 8<sup>th</sup> chakra Higher Mind and the OverSoul, plus the energetics of the conference and the new 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> Dimensional Light Templates has changed everything, has changed us forever!
3. It's important to remember that from the 11-11 MA conference on, we have been Heart to Heart and shoulder to shoulder with our Higher Collective and the frequency gap between us is steadily decreasing.
4. We now reside in a 5<sup>th</sup> Dimensional physical body, in which are the 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> Dimensional Light Templates.  
We are letting go of our physical genetic lineage, with appreciation for the gifts it brought us, and stepping into a much vaster lineage.  
We can access the 5<sup>th</sup> Dimension and make use of the 6<sup>th</sup> and 7<sup>th</sup> Dimensions.
5. The individualized Seven Light Packets of vast Master Consciousness that we each placed in our chakras/DNA before the 2016 conference can now be slowly activated. Focusing on this as the individual Christed Image will be VERY productive and fruitful for us.
6. Operating as the Masters that we are, a lot depends on how much focus and attention we put on our discoveries about ourself and on our communications with Inner Earth Beings, Star Gate Beings, and our Higher Collective Consciousness.
7. Whenever we gather in our Collective Sphere, all the Great Beings who were present at the conference will also be in that Sphere with us.  
Before coming consciously into this Sphere, clear your field and set your Merkaba at 100% Light in a 5<sup>th</sup> Dimensional frequency.
8. Remember that the crystals you brought with you into the conference have been encoded by the Andarans and Luminaries with 12<sup>th</sup> Dimensional frequency.

**ITEMS TO FOCUS ON AND PRACTICE from Session 11 on 7-11-17**

1. When parts of our Wisdom come forth, as in a conversation with others, it is important to make a note of this important step to assist us to garner this Wisdom consciously.
2. Review the transcription of the 4-11-2016 conference precall, pages 10 & 11, on the Light Quotient control knob and the Seven Packets stored in your DNA. Recall where you placed your Seven Light Packets of Master Consciousness in your chakras/DNA. Review your notes or journal if you have them. And/or enter your Sacred Heart Consciousness and the Wisdom of your SoulSpirit to be guided to where those Packets are and any specifics about them that might surface.
3. Continue connecting with the Inner Earth communities, especially the Luminaries that stand around that Christed Matrix within the Earth.
4. Continue connecting with the three Star Gates of Arcturus, Sirius, and the Pleiadians, which give us access to the Andromeda Galaxy.
5. Keep in the forefront of your consciousness that you possess a 5<sup>th</sup> Dimensional body.
6. Focus on the Beauty of who you are as a creation of Source.
7. Draw from the vast resources of our Collective Sphere and the Great Beings still present within it as a way of life, especially to meet upcoming challenges.
8. Continue to alter the body into a stable 5<sup>th</sup> Dimensional vehicle, which is a requirement for all higher work and consciousness.
