

**From the Merged Energetics of Masters Kuthumi-Yeshua:**

Well, Dear Ones,

Even though our conversation was brief, we will continue in this way. As you can see, in gathering in our Collective Consciousness and conversing, how valuable this can be. So, we would look forward to continuing more in this format.

But it is time now to close our gathering.

So let us do so by being very centered in our Sacred Hearts, in the Consciousness of who we are as Christed Beings of Light, in a Crucible of Consciousness, of Unity, and of Love...

It is not beyond our comprehension any longer.

We comprehend clearly the value of this Crucible and the value of the Unity that this Crucible provides, the value of the Element of Love...

We comprehend that together, very clearly, very concisely.

We would like to complete this closing with Master Kuthumi's Prayer.

That, by the way, is embedded with Light Templates. Amazing!

And just consciously saying this prayer changes your consciousness, because of those Light Packets.

So, let us say this prayer together: [Prayer is on other side of the page]

**Master Kuthumi's Prayer**

I Am Light

I AM light, glowing Light  
Radiating Light, intensified Light  
God consumes my darkness,  
Transmuting it into Light.

This day I AM a focus of the Central Sun  
Flowing through me is a crystal river,  
A living fountain of Light That  
can never be qualified By  
human thought and feeling I  
AM an outpost of the Divine  
Such darkness as has used me is swallowed up  
By the mighty river of Light which I AM.

I AM, I AM, I AM Light  
I live, I live, I live in Light  
I AM Light's fullest dimension I  
AM Light's purest intention  
I AM Light, Light, Light  
Flooding the world everywhere I move,  
Blessing, strengthening and conveying  
The purpose of the Kingdom of heaven.
