

Joan: Well Hello, this is Joan.

John: And this is John. Welcome to our 3rd co-creative group discussion. These sessions have improved substantially. And our advisors have asked us to continue with this one and then have a review in January.

Now first, we will start with a centering meditation from Archangel Gabriel, followed by an open discussion led by the Lords of Light. We will then close with a meditation or prayer.

Before the meditation, we will have some announcements of course:

On December 21 we will have a Winter Solstice call at the same call-in number as this evening. This is a very important event and we would love to have you all listen in. Yeshua will be our leader, with Joe Jett assisting. And they have asked us to share with you the significance of this event.

This evening we would like to remind you of the open reservations for the 2018 Level 3 program as well as the 2018 Crystal Conference. We would appreciate your handling your Level 3 registrations soon, because registration is closing December 30. As a reminder, when you register for the Crystal Conference, please advise Joanne Pulis, and she will assist you with your room reservations, so that we can make the best use of the Lodge.

And finally, there are a few spots left for the February Hawaiian Swim with the Dolphins. The information is on the facebook private page of the Gridmasters, the Seating of the Divine, and the special Kona Dolphin Swim pages. If you have any interest in any of these, please let Melainah know. They're at full capacity for the whale watch on Wednesday, but they do have a couple of spaces available for the dolphin swim days. The dates for the gathering are February 5-9, 2018. Registration ends December 15, so if you're interested, please let her know.

Now please take a deep breath and assist Joan in bringing forth Archangel Gabriel.
