

## **7<sup>th</sup> Dimensional Creative Process**

(1) Create a very, very precise intention – just one topic, not a combination of intentions

(2) Create a 5<sup>th</sup> dimensional environment and don't create unless you are in this space. Keep your personal Merkaba at 100% and pay attention to your frequency range.

(3) From this 5<sup>th</sup> dimensional space, work with your intention.

Does it need to be adjusted or made more precise?

If you are clearing something, have you found the root cause underlying the issue?

(4) Access the White Star Tetrahedron in your personal Merkaba.

And fill your intention with the 5<sup>th</sup> Element of Love and the Unity Consciousness which are found in the Sacred Heart Consciousness of this White Star Tetrahedron.

(5) From this level of consciousness, access the 7<sup>th</sup> dimensional template of Light that was retrieved at the Crystal Conference and also the new magnetic template that was seated in the Earth by the Kryon Collective Consciousness. This magnetic template draws Light to Light.

(6) Draw these 7<sup>th</sup> dimensional template templates of Undifferentiated Source Light and Undifferentiated Source magnetics into the 6<sup>th</sup> dimensional interface where it is compressed so it becomes usable in the 5<sup>th</sup> dimension

(7) Note: You now have a templates of pure Source Light energy and also pure Undifferentiated Source Magnetics that are contained in the 10<sup>th</sup> Ray of Creation available through the 7<sup>th</sup>-dimensional gateway.

(8) Draw this compressed form of the Magnetics of Source that is newly available on Earth and also the 7<sup>th</sup>-dimensional Light Template into the 6<sup>th</sup>-dimension and then into your precise intention and geometry. This creates a physical environment that allows these vast Source energies to be used in your creation stably and fluidly. These energetic templates draw to you what you are requesting because you are light and draw light to light through your intention.

(9) Organize and make these possibilities precise and coherent in the 5<sup>th</sup> Ray by using the 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> Ray of Creation.

(12) Apply what you have created through the electromagnetic field of the 4<sup>th</sup> Ray, through the electro-magnetics of your body and of the Earth for manifestation in your physical world.
