

Third Dimension: Dense, maximum separation.

Ego holds a dominant position in the consciousness

Survival based

Mental, emotional and physical bodies are separate

I There is so much fragmentation in the Mental/Emotional Body that it is difficult to make any creative changes in the life experience

Fourth Dimension: The mental, emotional and physical bodies still operate in

separation

Awareness of the effect the individual has on the whole

Consciousness opens to change

Beginnings of seeing a bigger picture

Beings begin to search for better ways to create their reality

Fifth Dimension: Lightbody dimension - awareness of self as a multidimensional being

Polarity consciousness drops way

Many options for creation are available

Time is no longer linear

Merger in mental, emotional and physical bodies begins

The ability to hold and sustain more light is created

Sixth Dimension: Holds templates of DNA patterns of all types

Light language stored

Made up of light, color and sound

Consciousness creates through higher more refined thought

Do not necessarily have a physical body

A transition begins into the realm of non-form.

Holds energetic templates of unlimited potential

Soul and Spirit merge

Seventh Dimension: Pure creativity, pure light, pure sound, pure expression.

Plane of infinite refinement.

Last plane where you can perceive yourself as an individual.

Full consciousness of the Christed Oversoul

Ability to magnetize Source creative energy to self

Eighth Dimension: Group mind, group soul.

You touch base with vaster parts of who you are.

Lose sense of "I".

When traveling in this dimension you have trouble keeping your consciousness together because you are pure "we".

Ninth Dimension: Collective consciousness of planets, star systems, galaxies and dimensions

Tenth Dimension: Upper creative realm that is in perfect unity with Christ Consciousness

New plans for creation are designed in this dimension by the Lords

Light

Beginning stage of accessing the path home to merge into Source energy

Eleventh Dimension: Pre-formed light, point before creation, state of exquisite expectation

Akashic records reside here, also galactic akashics in One Source System

Realm of Metatron and Archangels.

Twelfth Dimension: One point where all consciousness knows itself to be utterly one
With The All That Is. Complete Unity Consciousness
