

JOAN: Hello, this is Joan!

JOHN: And this is John. Welcome back to our 14th session, believe it or not, of the Seating the Divine on Earth! The date, of course, is November the 1st, 2016.

We hope you enjoyed the month of October and we really look forward to this next step in our wonderful adventure together. Now our format this session will be to start with a centering meditation, then additional information sharing, followed by a channeling, a Q&A session, and finally a closing meditation. And Miss Joan has a couple announcements before we move on to our first meditation. Miss Joan –

JOAN: I just wanted to make you aware of a few things that are occurring within our system.

First of all, a lot of you are really interested in getting the information about our 2017 Crystal Conference at the Queen Wilhelmina Lodge in Arkansas. We will be sending out an email within this next week with all the preliminary details about this conference. There will be a registration link that is given to you in this email. The registration will NOT be posted on our website, because this conference is only open to members of the Seating the Divine group and the Gridmaster group. So, please keep this link if you are interested in attending this conference. John, Melainah, and I are very excited about what we will create together in our Mastery in service to the Earth. I hope that that puts you kind of at rest in that you're going to get the information in time. I know you like to make these reservations ahead of time and that you like to plan for the coming year. So, we are going to make that available to you in the coming week.

And we also want to remind you that registration is open for anyone who would like to continue with our series of Seating the Divine Image in 2017. This will be Year 2 of a three-year project. It is entitled Seating of the Divine Image, Level 2. It is only open to those of you who have completed this year's sessions. An email was sent to you a couple of weeks ago in regards to this registration with a link. This also is not posted on our website, because we don't want people registering for this Level 2 group that are not prepared.

That said, we're offering Year 1 again, the sessions that you just covered, for those who missed this year's subscription. This, too, is only open to more advanced levels. It's not intended for the novice practitioner. And that information IS on our website.

We hope everyone had a chance to read the two channeling transcriptions that we sent out a couple of weeks ago. These channelings contain valuable information about the many magnetic pieces that you hold in your physical body and that assist that 5th and 6th Dimensional Template being more stably applied to Earth energy. We will add this to the session 14 posts of tonight's session on our website.

JOHN: OK, thanks, Joan. To continue, let's all take a deep breath and help Joan bring forth our dear friend Archangel Gabriel to offer the centering meditation. [3:52]
