

PD620.70 CEILING SERIES

6" 2-WAY 70V PENDANT SPEAKER

70V

(1) 4" (102mm) Aluminum Cone Driver (1) 0.75" (19mm) Aluminum Dome Tweeter

Excellent sound quality coupled with unique modern design and easy installation makes the PD620.70 ideal for a wide variety of applications including retail, restaurants, malls, hotels, fitness centers, exhibit spaces, conference rooms, atrium's, museums, and other high open-ceiling applications. Available in standard black and a variety of custom color choices to accent your furnishings. The PD620.70 is perfect for situations where background music is needed but ceiling mounting is prohibitive. The PD620.70 includes a mounting system for easy and secure suspension in open-ceiling applications.

The PD620.70 includes a built in 70V low distortion toroidal transformer and crossover network, making them easy to integrate into all James speaker systems.

Custom colors are available at an additional charge, please allow 2-3 weeks lead time for delivery. If you can imagine it, we can build it!
