

PD620.4 CEILING SERIES

6.5" 2-WAY PENDANT SPEAKER

- (1) 6.5" (165mm) Aluminum Cone Driver**
- (1) 1" (25mm) Aluminum Dome Tweeter**

Excellent sound quality coupled with unique modern design and easy installation makes the PD620 ideal for a wide variety of applications including retail, restaurants, malls, hotels, fitness centers, exhibit spaces, conference rooms, atrium's, museums, and other high open-ceiling applications. Available in standard black and a variety of custom color choices to accent your furnishings. The PD620 is perfect for situations where background music is needed but ceiling mounting is prohibitive. The PD620 includes a mounting system for easy and secure suspension in open-ceiling applications.

Custom colors are available at an additional charge, please allow 2-3 weeks lead time for delivery. If you can imagine it, we can build it!
