

Workplace Recovery Alliance National Survey of 1,200 Registered Voters
Conducted June 11-13, 2020 by Scott Rasmussen

What was the primary cause of the economic crisis facing our nation--the coronavirus or the government shutdowns of businesses?

		Total	Gender			Age					Race					Party					Most Important Issue							Residence				College				Election 2020					Employment					Employment

Government orders forced many businesses to shut down. A proposal has been made for the government to reimburse cash losses incurred by small businesses as a result of the shutdown orders. Do you favor or oppose this proposal?
