**STEWARDSHIP LESSONS FROM THE KING:** As we celebrate Christ as our king, let us remember what kind of king he is. "When He walked on earth, Jesus was a loving, servant king, not a ruler who needed to exercise his power to prove He was the one at the top. Jesus fed the hungry and gave drink to the thirsty. He did not demand that the people provide for his needs or store up treasures to ensure his well-being. Jesus asks us to adopt His interpretation of stewardship. Stewardship is putting aside the fulfillment of my own needs to become a loving servant to whomever Jesus brings into my life, whether it is the friendly neighbor next door or the one I wish would move away." **TODAY IS THE FEAST OF CHRIST THE KING:**

This Sunday we celebrate the Feast of Christ the King, yet in our Gospel reading, the man we see bows his head under a crown of thorns. Jesus' Kingdom is not of this world. He is the beginning and the end, the one who has already conquered the world, and reigns as Lord of the Universe. **But how quiet and hidden and humble is the conquest of our crucified King!** Jesus himself is like a small mustard seed that grows to be the largest of plants, welcoming everyone who comes to him. Similarly, God wants to do great things in and through us, to conquer sin and death, to raise each Christian to the heights of holiness and to heaven. **But often this incredible work of transformation grows very simply through the smallest steps we take in the ordinary things of our lives.**

**This Thanksgiving let us welcome Christ more deeply into our lives, thanking God for all the blessings we have received, serving our friends and family with a heart like Jesus, and inviting others to take the next step in their faith journey.** *Do you know anyone who could benefit from learning more about the Catholic faith? Would you like to learn more through our RCIA program? Please contact Mirianna Asman, [mas-man@bscky.org](mailto:mas-man@bscky.org) or 859-331-4302, ext. 37.*

### **CHRIST THE KING:**

*This solemnity reminds us that while governments come and go, Christ reigns as King forever...*

On the last Sunday of each liturgical year, the Church celebrates the Solemnity of Our Lord Jesus Christ, King of the Universe, or Christ the King.

Pope Pius XI instituted this feast in 1925 with his encyclical *Quas primas* ("In the first") to respond to growing secularism and atheism. He recognized that attempting to "thrust Jesus Christ and his holy law" out of public life would result in continuing discord among people and nations. This solemnity reminds us that while governments come and go, Christ reigns as King forever. During the early twentieth century, in Mexico, Russia, and some parts of Europe, militantly secularistic regimes threatened not just the Catholic Church and its faithful but civilization itself. Pope Pius XI's encyclical gave Catholics hope and—while governments around them crumbled—the assurance that Christ the King shall reign forever. **Jesus Christ "is very truth, and it is from him that truth must be obediently received by all mankind" (*Quas primas*, 7).**

**Christ's kingship is rooted in the Church's teaching on the Incarnation.** Jesus is fully God and fully man. He is both the divine Lord and the man who suffered and died on the Cross. One person of the Trinity unites himself to human nature and reigns over all creation as the Incarnate Son of God. "From this it follows not only that Christ is to be adored by angels and men, but that to him as man angels and men are subject, and must recognize his empire; by reason of the hypostatic union Christ has power over all creatures" (*Quas primas*, 13). *Read more at: usccb word of life November 2021, the Solemnity of our Lord Jesus Christ, click on: resources are being made available, scroll down.*

## OUR LORD JESUS CHRIST, KING OF THE UNIVERSE

### From the Pastor-Fr. Damian Hils

Dear Family,

Today we celebrate the Feast of Christ the King. Having been established in 1926, this is a relatively new feast in the Roman Calendar.

Europe was in a bad way after World War I. Many people lost their faith in God because of the brutality of it. The purpose of the feast was to remind the world that Christ is to be loved and respected not only in churches, but also in the public square. Laws, policies, school curricula, and all cultural endeavors were to be based on a love for Jesus.

Locally, there is a parish in Mount Lookout with this title. It was established in December of 1926, and so is considered the first parish in the world to be called Christ the King. The present church building was designed by Edward Schulte who also designed our church. The interior of Christ the King kind of looks like that of St. Thérèse in Southgate.

Fr. Hils

### SAINT OF THE WEEK:

#### **ST. CECILIA**

*Feast Day November 22*

#### **Saint Cecilia's Story**

Although Cecilia is one of the most famous of the Roman martyrs, the familiar stories about her are apparently not founded on authentic material. There is no trace of honor being paid her in early times. A fragmentary inscription of the late fourth century refers to a church named after her, and her feast was celebrated at least in 545.

According to legend, Cecilia was a young Christian of high rank betrothed to a Roman named Valerian. Through her influence, Valerian was converted, and was martyred along with his brother. The legend about Cecilia's death says that after being struck three times on the neck with a sword, she lived for three days, and asked the pope to convert her home into a church.

Since the time of the Renaissance she has usually been portrayed with a viola or a small organ.

#### **Reflection**

Like any good Christian, Cecilia sang in her heart, and sometimes with her voice. She has become a symbol of the Church's conviction that good music is an integral part of the liturgy, of greater value to the Church than any other art.

**Patron Saint of:** Musicians

*We are so grateful to have had the opportunity to recognize our Christian Student Award winners for the first trimester of this school year at our all-school Mass on Wednesday, November 17. The winners of this award are determined by peer vote. In grades four through eight, students vote for a peer that exemplifies what it means to be a quality Catholic and to use their gifts to enrich the community around them. We view this as one of the highest honors students receive at our school! Congratulations to our winners!*

*We hope that everyone has a blessed, restful, and healthy Thanksgiving. Please continue to pray for our school and community and we will do the same for you!*
