Annual Report Part 5

Holy Angels students are successful not only while attending Holy Angels, but also during their high school years. Holy Angels students have been recognized by the Optimist Club, West Bend Volunteer Center, and other charitable organizations supported by student efforts. Holy Angels graduates are prominent on high school Honor Rolls, in National Honor Society inductions, in extracurricular activities, and as recipients of college scholarships.

COVID did not allow us to participate in many off-site activities during the 2020-2021 school year. Students did continue to be involved in service projects through their classrooms, providing help to such groups as: Family Promise, Meals on Wheels, All Saints Parish, Honor Flight, St. Ben's/House of Peace, and more. We are looking forward to being able to bring our clubs back in the 2021-2022 school year. With the support of interested parents and volunteers, the HAS-HOPE (Holy Angels Students Helping Other People and the Environment) club has been active in serving others in the community and will be welcomed back in the 2021-2022 school year. Graduates continue to serve the greater community on outreach trips.

Holy Angels School continues to provide excellent opportunities for academic and spiritual growth in a faith community setting. The positive support of parish members within the community can be effective in recruitment of families to the parish and school and be a source of evangelization. Through continued efforts to identify and develop areas of financial support and enrollment recruitment, it will be possible for the school to continue to meet the formational needs of students today and into the future by being the unique, premier, and enduring Catholic school that is its heritage.

EDUCATION AND ACTIVITY CORNER

Sunday Family Connection: Understanding today's feast of Christ the King may be particularly challenging. While most of us do not have direct experience with kings or royalty, we have a sense of who they are. We know that royalty have sovereignty over their kingdoms. We know that those who are subjects to royalty offer them allegiance and honor. To understand how Christ is our king, we extend and magnify what we know to be true of the best of human royalty. Christ's kingship extends to all places, all people, and all times. Christ manifests his kingship through his death on the cross in which he offered salvation to everyone. Those who can see with eyes of faith recognize Jesus to be our heavenly king.

As you gather as a family, recall that this Sunday is the last Sunday in the Church year and on this Sunday we celebrate the feast of Christ the King. Talk together about what it means to be a king or queen. How do those who are subjects behave toward royalty? Invite children to role-play what one does in the presence of royalty. Read today's Gospel, John 18:33b-37. Ask your family to discuss these questions: Does Pilate treat Jesus like royalty? (No.) What does Jesus say about his kingdom? (It is not of this world.) Talk about how your family shows honor and obedience to Christ our King. Pray together the Lord's Prayer and ask God to help your family act in ways that show you recognize and honor Christ as King.
