The Cookies

Chocolate Chip

An American Classic only Marty's Cookies can do it justice!!! Premium chocolate chips are generously and lovingly mixed in a cookie that can only be described as "a little taste of heaven with a cold glass of milk".

Chocolate Chip with walnuts & pecans

Exactly like our original chocolate chip, but with a wonderful mix of walnuts and pecans. It's the perfect cookie for nut lovers.

Oatmeal Chocolate Chip

It's the cowboy cookie. Thick, hearty and delicious. It's our mix of the wholesome and sinful. Our Oatmeal Chocolate Chip is a favorite Marty's Cookie that has a little something delicious for everyone.

Oatmeal Raisin Walnut

Just like Mom used to make... if she had used Marty's recipe for Oatmeal Raisin Walnut cookies. We made this great tasting, wholesome treat for those of you who don't care for chocolate (an extremely rare person, indeed!)

White Chocolate with Dried Cherries

We created this cookie for those of you with eclectic tastes. Fancy white chocolate combined with dried Michigan cherries for a taste treat that's out of this world... well, at least out of this State!

Peanut Butter

Another all-time favorite. We use the best ingredients for this cookie, short of grinding our own peanut butter. We top the cookies with chocolate chips for that extra something special.

Butter Pecan

A little taste of the South right here in the North. Real butter. Real pecans. Really good. We even roast our pecans right here in the store.

Chocolate Chocolate Chip

At Marty's Cookies, we can't get any more decadent than this cookie. Just when you think one chocolate was enough...POW! We hit you with another. Are you drooling yet?

Half-n-Half

What do you do when your customers want the best of both worlds? We make a half-n-half cookie, of course. Half chocolate chip cookie. Half Chocolate Chocolate chip cookie. All delicious.

Snickerdoodle

It's like raiding Grandma's cookie jar. We create our Snickerdoodles by delicately rolling our soft sugar cookie dough in cassia cinnamon sugar. We then bake them to bring out the familiar crackly surface. Mmmmm...you can almost smell the cinnamon from here...

M&M

Marty's M&M cookies are just as delicious as they look. And yes, they will melt in your mouth and not in your hand.

Dark & White Chocolate Chunk

Two delicious chocolates in a marriage that can't go wrong! Chunks of rich decadent dark chocolate with chunks of sweet smooth white chocolate.

Lower Fat Chocolate Chip

It sounds crazy, I know, but it can be done. All the yummy deliciousness with less than half the fat! It's a cakier cookie made with applesauce and a little canola oil. Only 220 calories and just 2 grams of fat. All the taste with none of the guilt.

Marty's Signature Double Dipped and Drizzled Cookie

It's big. It's bad. It's sinful. What else can we say? Oh, yeah, it's incredible. You have your choice of chocolate chip, white chocolate dried cherry or butter pecan. Yummmmmmm!

Small Cookies

Love the big cookies? Try our Small Cookies-quarter the size of our large cookies-perfect for trays or just munching. Sold in sets of 20, they may be small, but they're packed with our same big taste! (not available in low-fat or half-n-half)

The Marty Bar

So what do we do with all our leftover bits, chips and stuff? We make the marvelous Marty Bar, of course. But don't confuse it for a brownie. This wonderbar is just chock full of butterscotch, chocolate, coconut, walnuts and...stuff we can't even keep track of. Trust us, it's crazy good.

Banana Bread

Fall in love with our over a pound and a half Banana Bread Loaf. Made with the same excellence we put forth in our cookies. Original, with Walnuts or with Chocolate Chips. \$5.99

Marty's Malted Milk Ball Bar

Say that 3 times fast. Now sit down and have a slice of heaven. Our cookie dough stuffed with chopped Malted Milk Balls. It's a cookie, it's a bar, now enjoy!

Cream Cheese Brownies

Talk about fudgie... and soft... and chewy... mmmmm... At Marty's Cookies, we make our brownies in regular, with nuts, M&Ms or chocolate chip cookie. All very scrumptious and decadent. Enjoy!
