

Decorative Bars and Rails

Four sizes of decorative bars create bold metallic borders for your signs. Formats of top and bottom or left side, right side are available. One can use equal size bars or mix two or more different sizes. All four sizes can be made into a complete four-sided frame.

2", 1 1/2", 1" and 5/8" profiles are polished and anodized from premium aluminum for rich metallic finishes.

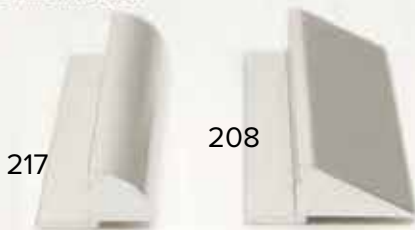

Acrylic lenses are laser cut and snap into frames over paper graphics.

Decorative Bars

Two Decorative Rail profiles are polished and anodized from premium aluminum for rich metallic finishes.

Decorative Bars

Four sizes of decorative bars create bold metallic borders for your signs. Standard format of top and bottom bars will be manufactured unless left side, right side bars are specified. Use same size bar or mix two different sizes for a unique look.

- All four sizes can be made into a complete four sided frame.
- Bars are available in five anodized finishes. 2 standard colors: Matte Black and Satin Silver. And 3 custom colors: **Polished Rose Gold, Polished Yellow Gold and Polished Silver.** Pricing varies. All parts are anodized individually to give finished ends.
- Please specify part number, inside dimension and color. Inside depth is 1/4" unless specified.
- Call for quote on frames over 99 perimeter inches.
- Divided frames available. Maximum 3 dividers per each frame.
- Lenses available. **Not all formats accommodate a lens.**
