Frames

The 5000 series round corner and 6000 series square corner molded plastic frames are designed for quality interior signage. Each frame is molded in one of 6 matte colors: Pewter Gray, Almond, White, Brown, Arch Brown, and Black. All frames have a 1/2" outside depth, 1/8" thick walls, and mounting holes for attaching to walls. The size of each frame is listed as an inside dimension and the inside radius on the round corner frames is 5/16". Each set includes one frame with lens, one sheet of perforated sign paper and a suction cup tool.
