Artisan Coffee
San Francisco is the home of artisan coffee, and by artisan, I mean queue-for-15-min-pay-\$5-and-wait-for-another-10-min-to-finally-get-your-coffee. I recommend a Gibraltar, which is the name of the glass it's served in. Blue Bottle, Sightglass, Ritual, Four Barrels, they're all good. You can't go wrong.
