### FAO Schwarz

Toys & Games

Please, please, please check this out. FAO Schwarz is a NY staple - one that sadly will be closing its doors soon. See a bit of NY history before it fades away.

### High Line

The other park in NYC. It's built on top of what used to be a train line.

btwn Gansevoort & W 34th St, New York

### Barcade

Bar

Drinking and classic arcade games in the hipster capital of New York / America / The World. There's some graffiti in the bathroom I contributed to.

### The McKittrick Hotel

Indie

Don't be fooled by the name. This isn't actually a hotel. It's an immersive theatre experience called "Sleep No More." It's incredible.

### Empire Diner

Diner

This place is seriously so cute. It's a relic of a New York that doesn't exist anymore - a diner/bar that looks like an airstream camper. GREAT DRINKS!

210 10th Ave, New York

### Central Park Boathouse

Harbor / Marina

Sadly, I never did this. But a lot of my friends have and it looks amazing!
