

## Coffee Culture

You might not think of Phoenix as a coffee town, but you're so wrong! Tasty independent shops pepper Downtown & Central Phoenix...all a bike ride or walk away.

### Note

Use public transport to find your way through this guide! Phoenix is lucky to have a great light rail system with stops close by or just a bike ride away from each of the coffee shops on this map. In fall of 2014 there will be a bike share system as well...so keep your eye out for green GR:D bikes!
