6 Lucrative Ways to Create a Soul-Satisfying Career As a Certified Juice Therapist

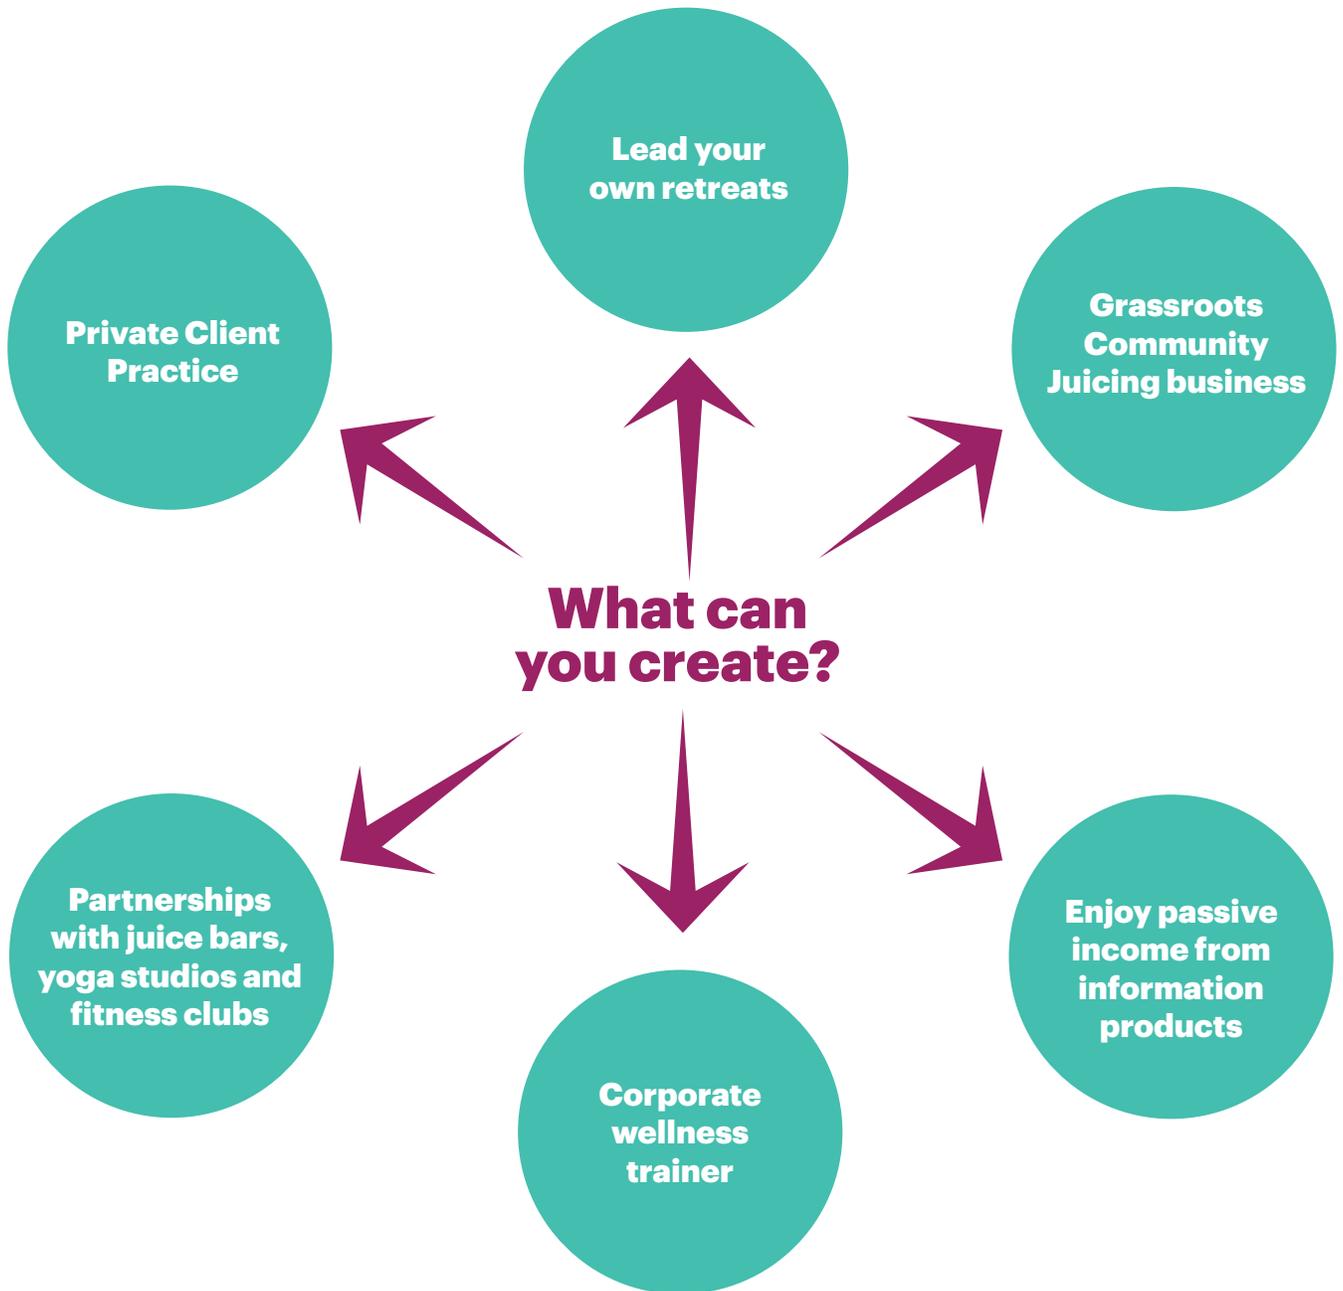

Health Coaches in the US are predicted grow an incredible 21% by 2022. And half of all employers are projected to have a Corporate Wellness program in place for employees. There's ample room in the coaching and wellness field for everyone. But you need a way to stand out from the competition.

A Juice Therapist utilizes the MOST effective mode to get your clients healthy and lean, and to keep them that way for life. And a Certified Juice Therapist has the recognized credentials to back it up. The field of juicing continues to grow, and it's wide open.

It's your time.

Certified Juice Therapists are creating successful coaching businesses, juice bars, juicing retreats, online health programs and more. There are endless possibilities to build a lucrative and soul-satisfying business as a Certified Juice Therapist. Here are just a few possibilities.

1

PRIVATE CLIENT PRACTICE

Certified Juice Therapists are successfully working all over the world, one-on-one and in small groups, with people in their communities and online. Private coaching is a proven way to organically grow your business, while helping people in a deep and personal way. Certified Therapists work with clients to lead juice cleanse/ detox programs and help them to develop a daily juicing habit that will keep them lean and healthy as they age. Therapists motivate, support and inspire their clients to keep up the healthy habit long after a cleanse, keeping them off the diet rollercoaster.

2

LEAD YOUR OWN RETREATS

You can build a practice that is focused on leading several retreats a year in your own community or in exotic locations if you love to travel. Your retreats can focus on juice cleanses, helping clients develop daily juicing and healthy eating habits, and/ or bringing in other skills to round out a comprehensive experience, like yoga, massage and reiki. Certified Juice Therapists have even gone on to establish their own retreat centers.

3

GRASSROOTS COMMUNITY JUICING BUSINESS

Certified Juice Therapists can grow successful careers on a grassroots level providing juices to friends, creating local delivery services, starting up juice trucks and vending pre-made juices at local farmers markets. Consulting and Juice Coaching work well as an adjunct to these businesses to more deeply improve the lives of your clients and create even more abundance for you.

4

PARTNERSHIPS WITH JUICE BARS, YOGA STUDIOS AND FITNESS CLUBS

In case you haven't noticed, these wellness business are everywhere. Juice bars have become as common as Starbucks in some metropolitan areas. Every one provides an opportunity right in your own community to create lucrative partnerships and provide your consulting and education services. Certified Juice Therapists have forged partnerships with yoga studios to offer pre-made juices. Others have worked with local gyms and juice bars to run juice cleanse programs. The opportunities are many and limited only by your drive, passion and determination.

5

CORPORATE WELLNESS TRAINER

Employers are waking up to the fact that healthy employees are productive employees. They've also learned that the cost of healthcare is greatly decreased when employees are well. They're looking for qualified, knowledgeable professionals with the skills to lead training classes for their staff. This is a wide-open field for someone with the necessary knowledge and skills to lead a business to wellness, and the certification to show you're a pro.

6

ENJOY PASSIVE INCOME FROM INFORMATION PRODUCTS

Certified Juice Therapists have the skills, knowledge and credentials to enter and dominate the virtual information product market. Build a lucrative practice that reaches around the globe and can potentially impact hundreds to thousands of others. Certified Juice Therapists have created successful and highly effective online businesses. Once your products are created, you can market them and enjoy the passive income that results.
