

# 2014-2015 Annual Report

As a Roman Catholic school, Rice Memorial High School exists to guide its students toward the realization of their God-given potential. Rice teaches students to recognize and develop their gifts by inspiring them **to love learning, to serve others** and **to seek God** through Jesus Christ and His Church.

# Greetings from the Principal

---

Dear Friends:

Greetings from Rice Memorial High School! On this beautiful fall day, I am sitting in my newly renovated office happy that we have wrapped up the renovations of our building. When Rice students returned to school in September, they returned to a 21<sup>st</sup> century school, updated in all areas and ready to house the inspired teaching and learning process that takes place here day after day. It is an exciting time to be part of Rice!

To add more good news, Rice's Annual Fund raised over \$700,000 this year. Your generosity, along with that of the Diocese of Burlington and the local Catholic parishes, makes it possible for a large number of families to make a Rice education affordable. Rice awards in excess of \$550,000 a year in financial aid to our families. The support for Rice, which you will find in the names listed on these pages, is indeed inspiring. In the name of the Rice community, I thank you, the benefactors of Rice, for partnering with us in keeping the mission of Rice Memorial High School alive and well.

Please know that the benefactors of Rice are prayed for at daily Mass at Rice, and on Fridays the intention of the Mass is offered for our benefactors. Again, may God bless you for your generosity and kindness toward Rice Memorial High School.

Sincerely in Christ,

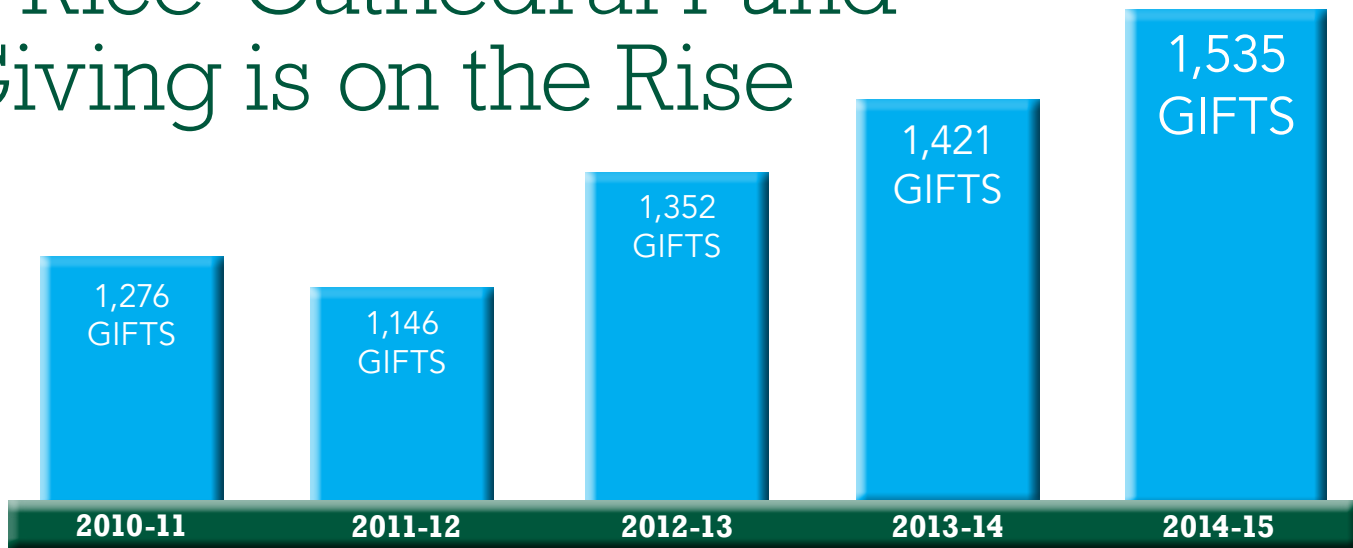

REV. MSGR. BERNARD W. BOURGEOIS, PRINCIPAL

## *Thank you for your generosity!*

# Thank You!

The Rice-Cathedral Fund  
Giving is on the Rise

# The Rice-Cathedral Fund reached **\$700,000**

Each year we rely on alumni, parents, past parents, grandparents, and friends of Rice Memorial to contribute generously to the Rice-Cathedral Fund.

Accounting for approximately 15% of the operating budget, gifts to the Rice-Cathedral Fund help close the gap between tuition and the actual cost of educating a Rice student.

Your financial support has a direct and immediate impact on all aspects of the school—academic programs, Stunt Nite and the arts, athletics, financial aid, professional development, and facilities.

## 2014-2015 Rice-Cathedral Giving Circles

Gifts to Rice Memorial High School have a direct and immediate impact on our students.

Your support provides us with vital, flexible dollars that fund academic, athletic and extracurricular programs and activities throughout the school year. ***Your generosity is a sign of your commitment to the mission of Rice.***

The list of donors includes those who made gifts in kind, contributions of stock or cash given directly to Rice Memorial High School between July 1, 2014 and June 30, 2015, for which no goods or services were received. We also gratefully acknowledge our Rice community volunteers for their time and enthusiasm.

Please accept our sincere apologies for any errors or omissions, and notify Sarah Judd at 802-862-6521 ext. 200.

Mr. Rice, Griffin Cunningham  
and Miss Rice, Michelle Bolger
