File size: 13 kbFile type: docxDownload File This book is actually an informational text that is integrated into a debate. Each page asks if a T-Rex would be good for various activities. Would a T-Rex be good to hide and search for? Would a T-Rex be good at PE? A great tool to discover information about dinosaurs and perhaps initiate further debates and discussions. Would a T-Rex make a good pet? Click on the BOOKS TO GET them ON YOUR CLASS SHELF! Waste subjects: English, PSHE, Science An English lesson in which students discuss the theoretical proposal that the concept of plastic-free schools should be disregarded by 2042. This will help students to understand the importance of looking at issues from different stakeholder perspectives and to learn about the impact of disposable plastics. Created by us on behalf of Surfers Against Sewage, who kindly given permission for us to share here. English spoken language articulates and justifies answers, arguments and opinions. View and evaluate different points of view to take care of and build on the contributions of others. Win, maintain and monitor the interest of the listeners. Select and use appropriate registers for effective communication. Speak audibly and fluently with an increasing mastery of standard English. Key level 2 7-11) Years 5 and 6 (Ages 9-11)Participate in discussions about books that are read to them and about those they can read themselves, building politely on their own and other ideas and challenging views. PSHE Science Key Stage 2 (Age 7-11) Year 4 (Age 8-9)Recognize that environments can change and that this can sometimes pose dangers to living beings.
