

FROM THE DESK OF

Santa Claus

Dear Valerie,

I have a very funny story to tell you! When my elves were packing the sleigh tonight before I left to deliver presents, we discovered that a page of one child was missing from my naughty or nice list! Guess whose page it was...YOURS!

Looking for it created quite the adventure! I have asked Holly and Sprig - the elves involved - to write the story down today so you can hear about it. When I get back to the North Pole, I will mail it to you! You will be IN the story, Valerie!

Love,
Santa
