

Mentoring & Coaching Agreement - Soul's Calling® Mentoring & Coaching with Bev Barnes

This agreement outlines the terms, expectations, and mutual responsibilities of our mentoring and coaching relationship. Please review it carefully, and sign below to indicate your understanding and agreement.

About Bev Barnes:

I am the creator of the **Soul's Calling® Roadmap, Coach & Facilitator Training & Toolkit**, with over 30 years of experience in helping people align their lives and work with soul. I hold a master's degree in Psychoeducation, graduate-level training in Brief & Strategic Therapy and Career Development, and I am a Master Certified Life Coach trained by Dr. Martha Beck.

I support individuals—especially women in transition—to discover what's next by unlocking their purpose, genius, and soul's calling. My work is intuitive, compassionate, sometimes unconventional, and always anchored in helping you listen to your own truth.

My Role as Your Mentor & Coach

As your mentor and coach, I will:

- Hold a safe, sacred space for your truth, process, and growth
- Guide you through the liminal space between endings and new beginnings
- Offer intuitive insights, powerful questions, tools, and practices
- Reflect back your brilliance, patterns, strengths, and possibilities
- Encourage you to honor your soul's timing, not society's urgency

This work blends intuitive mentoring, life coaching, purpose discovery, and deep soul alignment. It is **not** therapy, medical treatment, or crisis support.

Your Role as the Client

As the client, you agree to:

- Show up fully and honestly, even when you're uncertain or unclear
- Take responsibility for your own inner and outer decisions
- Respect your own timing and boundaries as well as mine
- Engage with the practices, prompts, or inquiries offered in your sessions
- Communicate openly about what's working or not working for you

Coaching is a co-creative process and that your commitment to inner reflection and action is essential for transformation.
