VENUS WISDOM

PLANETS

PLANETS REPRESENT THE DIFFERENT PART OF OUR BEING

SUN

My Inspiration - the fuel, the quality of life force that give me energy towards my purpose. My desire to be shine and be seen.

MOON

My Emotions and Conditioned Feminine. My history, Mother line, reactions, sensitivity, what my Inner Child needs to feel safe.

MERCURY

My Mind - capacity to think, speak, learn, reason and communicate.

VENUS

My Feminine Nature. "Attention IN." My ability to relate, receive, attune, connect and feel, appreciate and embody beauty. The way I connect to my deeper soul self through my heart. **In cycle with Sun - my Evolutionary Feminine Nature.**

MARS

My Masculine Nature. "Attention OUT." My capacity to act, to get what I want, assert my desire, physical energy, power and will.

JUPITER

My Teacher through Expansion.. My search for meaning and truth, my ability to expand, to understand. Blessings and luck.

SATURN

My Teacher through Contraction. My capacity to create structure, form and discipline. Relationship with authority and limits. My ability to take responsibility and "author" my own story.

CHIRON

My inner facility for processing particular painful experiences that results in wisdom and opens the way for me to be a mentor to others.

URANUS

My originality, ability to liberate myself from limitations, my desire for freedom. My ability to move with sudden change.

NEPTUNE

My capacity to transcend my limited identity through unity with something larger. My connection to unknown and Mother/Father God. My ability to imagine and receive message from my dreams.

PLUTO

My capacity to transform and regenerate through processes of death and rebirth. My resilience in the face of loss.

Chiron in Aries Through the Houses

1

Wound around your existence, self-assertion and initiative. Fierce identity yet feel you don't have the right to be here. Challenges with will, tendency to take cues from others. Could have physical deformity.

2

Wound around your embodiment and sense of value including money. Lack of self-worth and difficulty valuing self. Disconnected from sense of safety. Acquire possessions to compensate.

3

Wound around your mind being reliable, subject to chaos, absorb ideas from environment and struggle to understand our own experience. Need to be "right" and want to appear intelligent.

4

Wound around relationship with father and hurt by him or he was inadequate. Could be absent or could be abusive or high conflict or emotional incest. May feel disconnected from roots, foundation.

5

Wound around ability to be spontaneous, unable to enjoy moment or be carefree. Creativity may have been crushed. May become the clown or aloof and act like royalty.

6

Wound around right amount of control, may discipline body harshly with diets & exercise. Difficulty digesting info & experiences and organizing self. Too focused on details. Struggle with illness.

7

Wound around reacting to others as if they are ourself and react emotionally. "Relationships dangerous" - to be avoided or protected against. Pain from unexpressed feelings. Try to please everyone, fix conflict.

8

Wound around loss, possibly sexual abuse. Challenge expressing our deepest emotions connected to our instinctual, pre-verbal self which are catalyzed by intimate relations. May be psychic, aware of death, spirit world.

9

Wounded "by God". May feel alienated by being raised in foreign place, having a different religion or customs or conflict in home about beliefs. Devotion could lead to religious zeal righteousness, cults.

10

Wound around setting goals and contribution. May need time to find vocation/mission. Parental expectations may be heavy and we may fail to find our own path. Conflict with authority. Emphasize material success or shun it.

11

Wound around ideas and ideals. Desire to reform the world. Connected to collective ideas and may suffer from expressing them or fear risking own opinion. May unconsciously take on attitudes of groups.

12

Wound around personal individuality and separateness. May have guilt or illness when attempting to individuate. May seek refuge in drugs and alcohol. Can go to extremes in spectrum of order to chaos.
