The Bible Warns of a Coming Strong Delusion

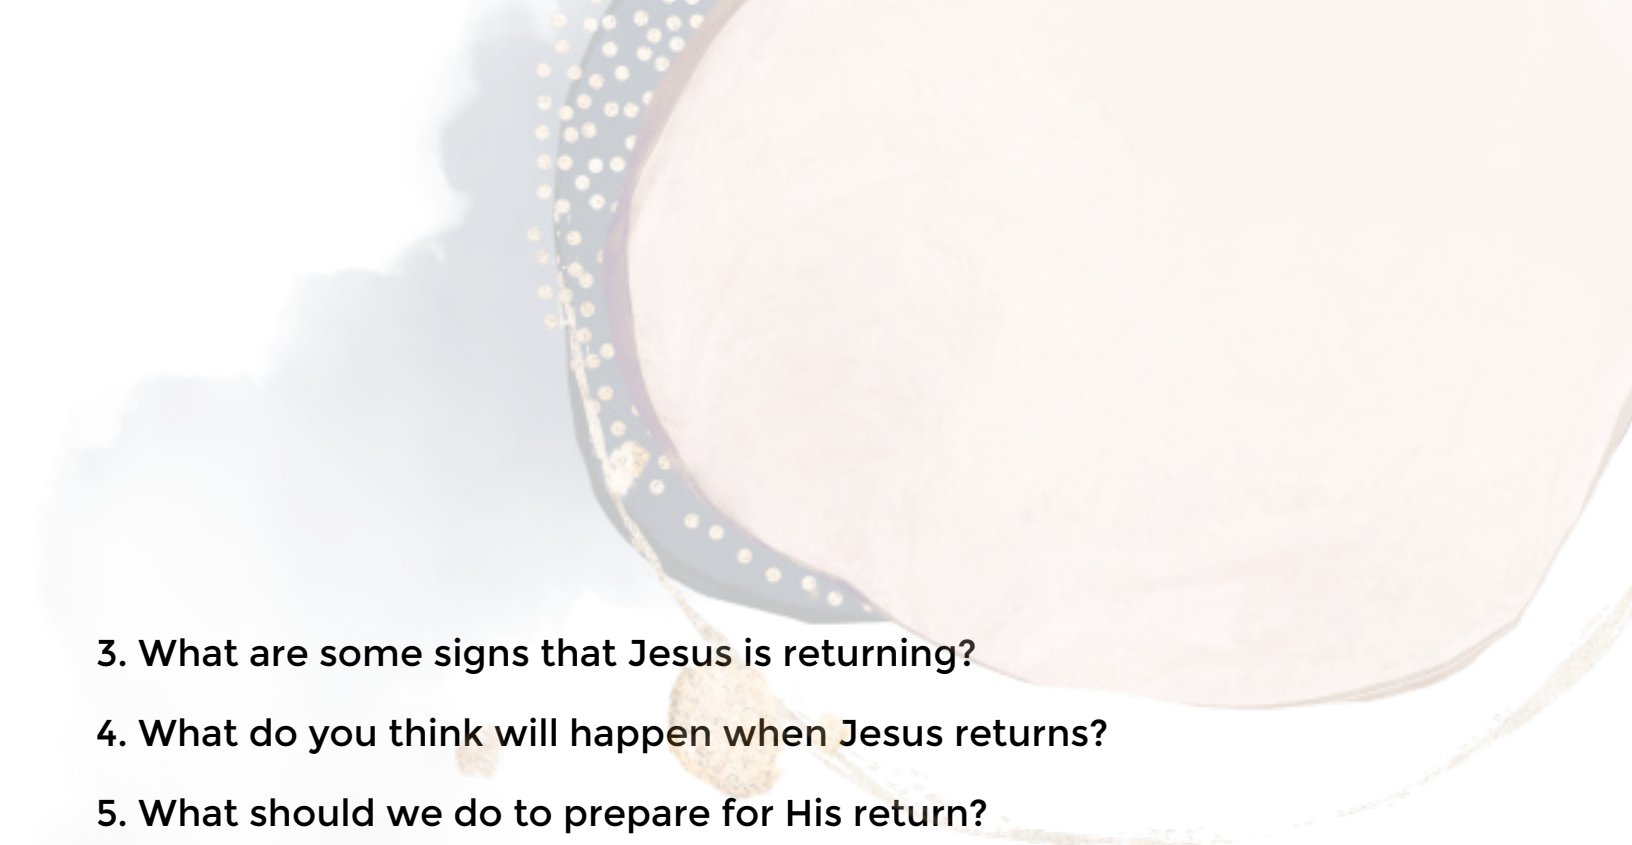

The Bible speaks of a time when a strong delusion is coming upon the world. God will send this powerful delusion to those who have rejected His truth and embraced lies instead. During this time, people will be so deceived that they will believe things that are not true and follow after false gods and doctrines. This strong delusion is a warning to all who would turn away from God and His Word. It's time to seek the truth before it is too late.

"And with all wicked deception for those who are perishing, because they refused to love the truth and so be saved. Therefore God sends them a strong delusion, so that they may believe what is false, in order that all may be condemned who did not believe the truth but had pleasure in unrighteousness."- 2 Thessalonians 2:10-12 (ESV)

Friends, Jesus Christ, is coming soon. He is the promised Messiah and Savior of the world, sent by God to bring salvation to all who believe in Him. Jesus will come in power and glory to judge the living and the dead and establish His kingdom on earth. We must prepare ourselves for His coming by living lives of faith, repentance, and obedience to God's Word. As we wait for Jesus' return, let us be steadfast in prayer and faithfully proclaim His Gospel so that others may also be saved.
