

The Leading Edge

LEADERSHIP MASTERY WORKSHOP

Lead beyond expertise.
Develop leaders, not followers.
Shape culture and capability.

CAPABILITY OUTCOMES

Move beyond conventional leadership thinking.
Discover what standout leaders do differently:

Recognise leadership derailers
and avoid common traps

Lead beyond technical expertise
using proven leadership frameworks

Build high-performing teams by
growing capability and accountability

Adapt your leadership style to
people, situations and change

Create the conditions for people
and performance to thrive

FORMAT

- Face-to-face workshops - 1-day, 2 days or half-day
- Modular online version also available

INVESTMENT

- Contact us for a custom quote

YOUR INSTRUCTOR & COACH

DAN BYRNES

Director, NINOX Leadership
