

Coaching Skills for Managers

PEOPLE LEADERSHIP WORKSHOP

Move beyond telling and solving.
Apply practical coaching approaches.
Grow capable, proactive talent.

CAPABILITY OUTCOMES

Broaden your leadership skillset, break dependency and purposefully grow talent and capability:

Recognise latent potential and identify talent ready for stretch and growth

Hone coaching micro-skills including active listening and powerful questions

Activate independent thinking, ownership and self-reliance in your people

Grow talent, lift standards and strengthen your succession pipeline

Reclaim your time, gain strategic clarity and focus on high-value work

FORMAT

- Face-to-face workshops - 1-day, 2 days or half-day
- Modular online version also available
