What were the strengths of the training?

I appreciated the organization and the self  
disclosure and vulnerability to share your stories.

What could be improved?

None that I can think of

How will you apply what you learned?

As a MFT trainee this information will help me in  
directly working with survivors and/or recognizing the  
signs of CSEC.

What were the strengths of the training? The trainers were engaging,  
there were breaks, the material was great

What could be improved? Not much but maybe the order  
of the slides in the ppt. (It didn't take away from  
the presentation but they were out of order from the hand out)

How will you apply what you learned?

Bring it back to my work place & include it in daily  
life & bring it home to my family - the more people  
are aware the better.
