

*Today we pray*

FOR THE MOMMA  
WHO KEEPS TURNING TO  
GOD FOR WISDOM

*Lord, she continually looks to You in all things. If her child needs an advocate, her finances need to be stretched, or there is a problem, this momma seeks Your wisdom. Tonight, Lord, please meet this momma, and help her know exactly what to do next. You are the Answer for every situation she faces. Please give her wisdom. We ask in Jesus's name, amen.*

*Tonight we pray*

FOR THE MOMMA  
WHO TRUSTS GOD  
HEARS HER

*Lord, she has prayed and cried out with so much faith even when voices of discouragement were relentless. Still, she knows that You hear her. None of her prayers or tears have gone unnoticed by You. Tonight, Lord, we ask You to encourage this momma's heart. Please speak hope as she continues to trust You to unfold Your perfect plan in due time. We ask in Jesus's name, amen.*

*Tonight we pray*

FOR THE MOMMA  
WHO DOES NOT  
WALK ALONE

*Lord, there have been moments when her burdens were heavy, and she felt lonely. Yet, she is so grateful that she was never truly alone. You have been with her, and You sent the right people to walk alongside her. Tonight, Lord, please remind this momma of those who have been a blessing to her, and please show her where You were in her story. We ask in Jesus's name, amen.*

*Tonight we pray*

FOR THE MOMMA  
WHO CHOOSES  
TO TRUST GOD

*Lord, she is facing a season that she didn't see coming. She didn't expect parts of her story to turn out this way, but You knew every moment. Still, this momma chooses to place her trust fully in You. Tonight, Lord, please anchor this momma's hope in You. You have never let her go. Please grant her sweet sleep as she rests in You. We ask in Jesus's name, amen.*
