03 · FOR PRODUCERS & HOSTS

Suggested *Interview Questions*

01	You were hacked yourself. What happened, and what do you wish someone had told you before it happened?
02	AI has changed scams almost overnight. What's the one our viewers are most likely to run into this month, and how can they spot it?
03	Someone gets a call that sounds exactly like their child or their boss, asking for money right now. What should they do in the first 60 seconds?
04	What's one setting everyone should change on their phone today? Can you show us?
05	Is it safe to use AI chatbots like ChatGPT? What should people never type into one?
06	Online shopping season is here. What are the scams to watch for?
07	Seniors and retirees are prime targets. How do you have "the talk" with a parent or grandparent without insulting or overwhelming them?
08	What should someone do in the first hour after they realize they've been scammed or hacked?
09	A lot of people say, "I have nothing worth stealing." Why is that wrong?
10	If our viewers do just one thing after this segment, what should it be?
