TEST FILE - placeholder for funnel testing only. Final guide content to come.

The ADHD Operating System Quick-Start Guide

Dr. Steven Storage - Free guide (placeholder edition)

This is a placeholder version of the free guide, used to test the Kajabi opt-in, delivery email and download link. If you can read this, delivery works.

WHAT THE FINAL GUIDE WILL INCLUDE

1. A morning reset
2. A weekly-planning checklist
3. A top-three priorities exercise
4. An emotional-reset menu
5. A one-page operating-system dashboard

TEST CHECKLIST

Did this PDF open from the thank-you page? From the Day 0 email? On your phone?

TEST FILE - placeholder page 2

MY TOP THREE PRIORITIES THIS WEEK

1. _____

2. _____

3. _____

Educational content only. Not medical advice, diagnosis or treatment; does not create a doctor-patient relationship.
