3-DAY PREP PRAYERS

BY: ELISHA GOODMAN

This page intentionally left blank

From: elisha

Sunday 2:25 A.M.

Tuesday morning ...

I woke up to a cryptic message in my inbox.

An email with just 7 words.

It read:

"Marriage. job. house. like. my. 2. friends"

I hit <Reply> and asked:

"I'm not sure what you mean. Please explain."

Within minutes she wrote back.

Emily (not her real name) has two friends from her college days.

Life was hard for them all since graduation 10 years ago.

No good jobs.

No marriage.

Zero progress.

Always struggling to make ends meet.

18 months ago, they drifted apart. Lost contact.

One moved back home to live with her parents.

The other moved to a different city.

After a while they stopped calling each other.

Fast forward to March 2025.

She saw wedding photos all over social media.

It was her friend who moved to a different city.

She called to congratulate her.

She learned her friend did not just get married to the man of her dreams.

First, she landed a high-paying international job.

Not long after, she bought a car and a house.

Same thing happened to her other friend – the one who moved back home.

At that level, she became curious.

Very curious.

She felt left out.

Something told her this was no coincidence.

Here she was still struggling to get by...

... while her friends, who used to be in the same boat with her not that long ago, had advanced to another level entirely...

... despite the general economic hardship in her country.

She was desperate to know how they did it.

So, she asked the million-dollar question:

How did this happen?

What's your secret?

The reply: Google "elisha prayer academy"

She did.

On the first page that came up, she saw this testimony:

Coincidence? I Think Not

"It's amazing how, just when I need a particular prayer, for whatever, at a certain point in time, I then go to my emails to see what I've received from you, I find the prayer that relates directly to my need, that's been sent recently. I could say 99% of the time that happens. Coincidence? I think not! I strongly believe that God responds to me via you!"

- mPHO in Rustenburg, South Africa

Reading that page gave her goosebumps.

She signed up.

That night she fired off that cryptic message at the top of this page.

Welcome to...

Operation Overwhelming Proof

There's a prayer marathon going on right now.

Eagle Leah is participating.

A few weeks ago, she scored a major spiritual victory.

Hear her:

I have to confess that Module 3/4 for singles is a powerful weapon that the enemy is afraid of. Here is my dream after the prayers at midnight.

I saw human-like beings both men and women, but were bigger than normal people. I was chasing them towards the water, which looked like ocean and rivers because it was flowing with heavy storms and waves.

These beings were trying to run across to the other side while I was pursuing them. They found a small ladder and while they were stepping on the ladder in the middle of water, I saw a huge crocodile coming from the deep and swallowing all of them at once. I could see the blood flow from its mouth as they screamed for help.

I was standing on the ground shouting Jesus! Jesus! Jesus! Then I woke up.

The Lord told me to share. This was my total deliverance from marine spirit spouses. In our family, no marriage and if someone tries the spouse has to die. It came to a time I got tired, because none of my relationship ever lasted for a month and any man I have ever met wanted me just for sex, no marriage or commitment and when I say no to sin, he leaves me immediately.

Am free now in the name of Jesus, and I will meet my Godly husband. God bless you for teaching us to pray for our own deliverance. Amen.

--Eagle Leah, USA

Glory to God.

Consider this for a moment:

How was she able to terrorize her enemies to the point they, in a desperate bid to escape, ended up running straight into their doom and destruction?

Please close your eyes and take this first prayer with thunder in your voice.

- ***Garment of fire of the Holy Ghost, clothe me in the name of Jesus.***

All of a sudden, the victim has become the victor.

This is what total deliverance looks like.

Deliverance from what?

The wicked, vicious powers that operate from the waters.

Specifically, from marine spirit spouses that torment entire

families and nations, causing satanic marital delay, stealing virtues, burying finances and turning many marriages to hell on earth.

Do not miss what she says here:

“In our family no marriage and if someone tries the spouse has to die. It came to a time I got tired, because none of my relationship ever lasted for a month and any man I have ever met wanted me just for sex, no marriage or commitment and when I say no to sin, he leaves me immediately.”

See the powers she was up against?

Now, they are gone.

Her story is about to change.

This is not an isolated case...

It reminds me of another spectacular deliverance that took place in one famous prayer ministry years ago.

This place has a reputation for super aggressive prayers...

... the type we teach and demonstrate in our forums.

This 40-something unmarried woman was living a life of quiet desperation.

Because she had a very peculiar problem.

Every day, some invisible entity would come to have sex with her.

Whether she was asleep or awake, this thing would come to defile her.

In desperation, she ran to her pastor and narrated the strange experience.

The pastor thought she was imagining things and told her to seek psychiatric help.

Disappointed, she decided to do some research into it.

She enrolled in a course on theology, because it occurred to

her what she was facing was a deep spiritual problem.

Maybe, she reasoned, her professors, who were renowned theologians, could share some insights that would help her solve the problem.

It turned out they were as clueless as her pastor.

They advised her to – you guessed it – seek psychiatric help.

Convinced this was not a psychological problem, she started searching online for help.

That's where she got to learn about spirit husbands and spirit wives.

One night, she stumbled on a Christian ministry that seemed to specialize in this kind of deliverance.

The only challenge: the place was thousands of miles away on a different continent.

Without telling anyone, she quietly bought a ticket and flew halfway across the world to join the deliverance prayers.

First day in, the deliverance minister called a strange prayer:

- ***Every spirit husband harassing my life, die in the name of Jesus.***

What?

She refused to pray.

Because her theological training taught her that spirits do not die.

(Alas, she didn't understand that the word "die" does not only refer to physical death).

So, she decided to keep quiet.

However, the LORD had mercy on her.

The minister stopped abruptly and explained that there was someone at the back of the room who needed to take the prayer with holy madness, but the enemy had persuaded her not to pray.

The LORD was giving her a second and final chance, he added.

Then he called the same prayer again.

This time the lady did not waste a moment.

She erupted like a volcano, shouting the prayer at the top of her voice.

Her mind flashed back to the years of endless torment.

She got really mad.

As she continued with the prayer, suddenly her eyes were opened to see in the spirit.

Seemingly out of nowhere, right in front of her, stood a gigantic strongman, naked and trembling.

His male organ was like that of a horse – HUGE.

In holy anger, she pointed at him and screamed the prayer even louder.

As she did this, the ground under the strongman began to open up and he started to sink rapidly.

The louder she prayed, the faster the strongman sank into the earth until he was completely buried.

Swallowed by the earth!

At that moment, she knew without a doubt her deliverance had happened.

With great joy, she shared her testimony at the end of the prayer.

(By the way, the entire prayer session lasted for 3 hours).

She insisted on a meeting with the founding pastor of the church to tell her story.

When she was ushered into his office, the man of God listened closely to what she had to say.

At the same time, his ears were tuned into the Holy Spirit “frequency” to hear what the LORD was speaking.

As she finished narrating her ordeal, which had been going on for 15 years, suddenly the Holy Spirit told him to ask her a *specific* question.

He did.

“Please tell me, did you indulge in watching pornography before you started having this strange problem?”

She said yes.

She was addicted to pornography.

The man of God warned her:

“That strongman came into your life through the entry point of pornography. If you want lasting victory, you must NEVER watch pornographic materials or indulge in masturbation and other sexual sins.”

Thankfully, she obeyed.

Today, she is no longer single but happily married.

It took repentance (that deliverance session started with an hour of deep repentance)...

... followed by serious, aggressive deliverance prayers for her to be set free.

An atmosphere of fresh fire...

First thing to note:

That targeted prayer she prayed came by divine revelation.

Just like the sequence of prayers in the ongoing prayer for singles that produced the testimony you just read.

It is called Module 3 prayers.

The next thing to note is this:

The atmosphere in which such prayer bullets are fired ...

... must be saturated with the fire of God.

Without that fire, everything falls flat.

This is one reason I've stopped giving out prayers to just anyone who shows up on our websites asking for "strong" prayers to deal with one issue or the other.

To give an example...

In the past I've shared the same prayer with two different people to deal with the exact, same problem – financial lack and poverty.

One succeeded.

The other failed.

What made the difference?

Fire (or lack thereof)...

The level of holy fire in their lives (*see Lesson 5 of Prayer Academy for more about the levels of fire*).

It is time to pray again.

Please close your eyes and take this prayer with a holy shout (*for at least 5 minutes*):

- ***My life receive fire, become fire, vomit fire in the name of Jesus.***

Eagles Pro Tip:

If you decide to take this one prayer for one full hour starting at midnight, your entire life will experience a sudden turnaround within one month.

(Go ahead. Prove me wrong or right, if you will).

Unclaimed blessings are floating around you – can you see them?

In the coming days...

It is that fire (operating in your life) that will draw your testimonies to you – I mean **life-changing** testimonies.

When the level of fire goes up, testimony abounds.

When the fire goes down, testimony dries up.

This happens to everyone.

Not only that...

It is the fire that breaks stubborn, age-old generational yokes and sets the captives free.

In this season...

You need call upon the fire of the Holy Ghost to fall upon your life ...

... as you embark on the victorious prayers to deal with these dangerous enemies whose assignment is to steal, kill and destroy (John 10:10).

You need this holy fire to deal with the enemies of God's anointing in your life (especially vicious enemies operating unseen deep in your foundation).

You urgently need this fire when...

- You want to deploy the weapons of decisive victory.
- You must bounce back from years of failure and defeat.
- You must say "No" to the enemy.
- You must engage in prophetic spiritual warfare like David (when he needed to pursue, overtake and recover all the enemy had stolen).

- You must announce, without any apology, the obituary of your enemies (*Example: My enemies shall die in my place in the name of Jesus*).

Remember:

When I use the word “enemies” I’m speaking about those mentioned in Ephesians 6:12.

They are the *unseen* powers behind what happens physically.

Once you target them with these dangerous, toxic prayers I’m about to share shortly, it is left for the LORD to decide whether to deal with the horse or the rider or both.

Either way, the result of confronting them in the theater of prophetic warfare prayer will be a sudden release of your long-delayed blessings and benefits.

This prayer riot is for you if you need a breakthrough *as a matter of urgency*.

With the way things are going in our world today...

You either have a breakthrough or it's game over.

Feast or famine.

If you have experienced **breakthrough famine** for a long time...

You are in a vulnerable spot right now.

It means the enemies have been actively swallowing, exchanging, transferring and stealing your divine benefits (which are duly released to you daily) behind your back.

Without any resistance from you, they are emboldened to step up their warfare against you.

Don't be surprised that after impoverishing you, next they will come for your family, your children, your health and everything near and dear to you.

Why?

Because they consider you a “soft” target, someone to test their latest satanic weapons on without fear of retaliation.

If that doesn't make your blood boil, I don't know what else to say.

The Bible tells us clearly:

Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.- 1 Cor 3:16-17

It is time to announce the obituary of your stubborn enemies.

Beyond that...

As you follow the prayer sequence that's about to be released shortly, your breakthroughs will appear suddenly, and you'll know what it feels like to experience lasting victory over your oppressors.

The prayers will be available in a special forum opening today

entitled:

Operation Overwhelming **Proof**: 27 Days of Fire, Testimonies & Transformation

This is going to be a first-of-its-kind prayer riot.

Never before offered.

Never to be repeated.

It kicks off with a 3-day preparatory prayer session before the main event.

The first 3 days of the main event will be decisive.

You will be praying in a way I've never shared with anyone before.

Please make up your mind to be part of this.

Even if you're not sure of joining us now, since you have read

this far, I encourage you to at least have a go at the 3-day prep prayers.

Timely warning:

Beware the battle of the mind

Back to that lady with a peculiar problem.

She flew halfway across the world.

Desperately, frantically searching for a solution to her strange problem.

She was tired of suffering in silence, while living in a state of quiet desperation.

Yet, when she first heard the prayer that directly targeted the issue, a great battle erupted in the theater of her mind.

The stubborn enemy who had been tormenting her unhindered for so long knew it was game over.

Hence the frantic attempts to STOP her from praying!

Are you reading this and something is telling you to sit this one out?

What that means is the battle has already started ... *in your mind.*

It is nothing but a desperate gambit by the enemy to talk you out of your upcoming breakthrough testimonies.

My advice to you:

Command that evil voice to be silenced in the name of Jesus.

There are prayers about to be called into action – prayers I have never shared publicly in the 20 years since we’ve been online.

Because in these perilous times ...

The LORD wants you to have a tangible breakthrough that everyone can see, touch and feel.

(Just like Emily's 2 friends above).

Don't be surprised to see the cohorts of darkness fighting tooth and nail (using their all-time favorite **weapon of discouragement**) ...

... in an all-out effort to keep you from this prayer riot.

Rest assured.

They cannot win unless you allow them to.

It is time to pray again.

Please take this one like a mad prophet.

- ***Witchcraft crystal ball used to monitor my progress, break into pieces in the name of Jesus.***

Let me give you a hint of what's about to happen.

Last month, Gerda wrote from South Africa.

She said:

My daughter and I took several bullets from your prayers to destroy the witchcraft projected against her.

She was in hospital for severe kidneys pains. She got a morphine shot for pain, but the demon curled and twisted her body .

I sent all the evil arrows thrown at her, back to the senders in Jesus mighty name. She was released after 3 days in hospital. Her kidneys show no signs of that brutal attack. To Jesus be all the glory.

Wonderful.

She just saw firsthand the result of sending evil arrows back to senders.

That's why her daughter is hale and hearty today.

We are going to be doing that a lot.

All glory to the LORD.

“Many overlook this one thing... to their
detriment”

Maybe you already guessed ...

It is important to close the open doors through which the enemy has gained access into your life.

For the lady who received that spectacular deliverance, what was the open door?

- Pornography
- Masturbation
- Sexual sins

For others, it might be something else.

- Unforgiveness
- Bitterness
- Envy
- Lying
- Pride and arrogance
- Laziness
- Stinginess
- No genuine repentance
- And more

She discovered her victory over her stubborn problem was tied to her *total* repentance.

If she had gone back to her immoral ways, that strongman would have returned with a vengeance, bringing 7 spirits more wicked and dangerous, just as the Lord explained in Matt. 12.

Every door the enemy could possibly use to gain access into your life must be closed.

So that when the LORD pours out blessings on you, they will last.

Not here today, gone tomorrow.

The upcoming prayers will address this often-neglected issue, among other things.

Revealed: The Master Key

On May 8, someone emailed from Zambia.

She wrote:

“For 18 months I was jobless, struggling in business and a divorced single mother. I was getting financial help to feed my children and pay rentals, water and electricity Bill's from family and friends. I just woke up one morning with a conviction to

OBEY Gods word while trusting in Him. In less than a month I got a job offer with no interviews, the job comes with a free accommodation and a car. I am now able to take my children to a private school. How can I forget God's benefits and mercy? I am assured every day that He loves and cares for me." – CN

Can you spot the Master Key to all-round success and victory in her testimony?

It is obedience.

Obedience to God's word.

Obedience to His Spirit.

The Bible tells us:

If you are willing and obedient, you will eat the good of the land - Isa 1:19.

Are you willing and obedient?

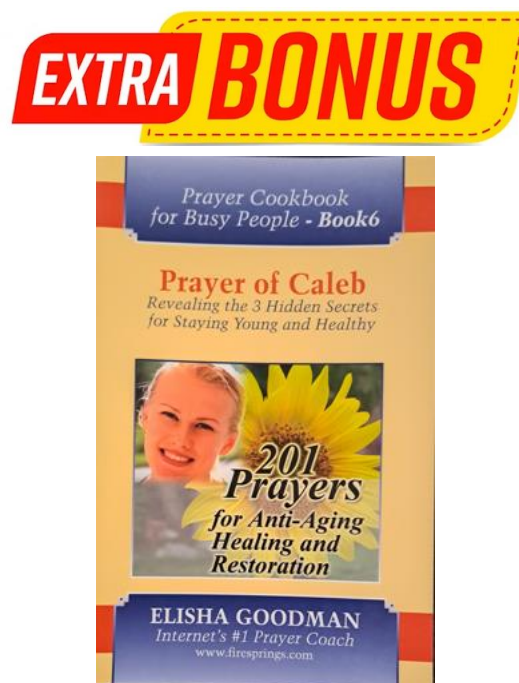

Calling All Our Early Eagles !!

For Eagles who would like to gain access to the forum right away *(even before it is officially open)*...

You can do so in a moment.

If you are among the first 100 to sign up, I have a little surprise for you.

What is it?

A printed copy of our “notorious” healing and deliverance prayer manual...

... mailed to you this week provided you can give us an address in the USA or Canada.

It could be the address of a friend or family member.

(Just tell them you are expecting a book from Elisha Goodman – they should be on the lookout for it).

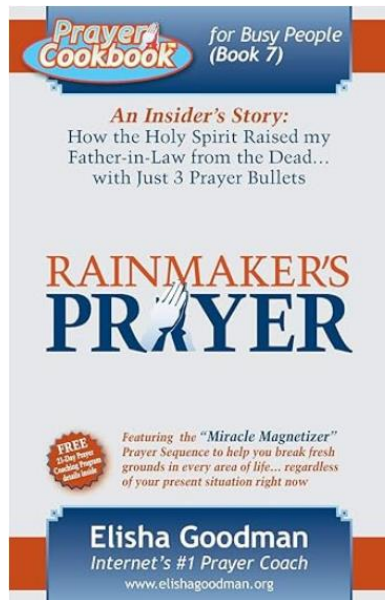

There are only 100 copies of this book to give away.

First come. First served.

As a matter of fact, the first 10 Eagles to sign up **might get an additional bonus** –

Something I thought was all gone but found a few copies while cleaning out my garage the other day.

Here's it is.

(Hard copy version)

I like to reward those Early Eagles who take prompt action by signing up as soon as the link is available.

Unfortunately, we can't mail to any address outside the US and Canada at this time.

(We lost thousands of copies of these books when we used to

do regular mailings to certain countries outside North America and Europe).

The reason?

Because it is almost prohibitively expensive to mail the book and add a tracking # these days.

To give you an idea, last time we did this it cost 87 dollars to mail the book to South Africa.

Of course, it is cheaper to use regular mail without adding the tracking # but it may never get to the destination because of inefficient postal services in many countries.

To repeat:

There are only 100 copies to give away.

The extra bonus #2 is less than 20.

The faster you sign up, the more likely you are to get this special bonus.

What does it cost to join?

The full price is \$77 USD.

However, that's not what you pay if you sign up early.

Early Eagles get a 20 percent discount (this may disappear as soon as the main event begins).

Yes! I want this!

[Go here for the discount offer >>](#)

As usual, we begin with a short preparatory prayer sequence...

... while we wait for all our Eagles to sign up.

These prep prayers are accessible to all who have participated in any program in the forum in the past, **whether they will be joining the main program or not.**

(Please do NOT share with anyone except your spouse and adult children over 18 years old).

The **Proof Blueprint** will be released shortly.

As we await the start of the program, please get busy with the prayers and scripture confessions below.

You get into the Forum early by clicking [this link here.](#)

Note that [the link](#) will disappear in 5 days. If you use the link before it expires, you'll be rewarded with a 20 percent discount.

We call it the "[Early Eagles' Discount.](#)"

Lasts only for 5 days ... as our way of rewarding Eagles who like to take spiritual ACTION quickly.

If you'd like to join us, please do NOT wait.

Sign up as soon as you possibly can.

And get yourself ready to ...
