Friday 2:30 A.M.

Calvary greetings ...

... and congratulations for coming on board.

First, to the opening prayers.

Please bow down your head and take these 3 prayers with a holy cry:

1. *Anything that I have waited for till now shall be miraculously delivered to me this month in the name of Jesus.*
2. *Blood of Jesus, arise in your cleansing power, wash my root and foundation in the name of Jesus.*
3. *O Arm of the LORD, arise and release my destiny from the prison of my father's house in the mighty name of Jesus.*

Now we are ready.

Someone cried out in desperation today:

Nothing works for me!

"I have done all those prayers in the books but nothing works for me. My debts just continue to grow and my salary is static. I even go without lunch to save but all is not working.

Just last night I had a dream where my boss says my mom (who was dead even before I started working) told him to keep me there (one place no change).

Am always reading praise reports on the blog but ask myself why is it NEVER ME? Maybe am not meant for this?"

Stick with me for the next 15 minutes.

(The solution to her problem will be clear as we go along).

It's time to pray again.

Please shout this out loud:

O LORD mobilize heavenly resources to help me in the name of Jesus.

A while ago I got into the habit of asking people why they joined our prayer riots.

Shortly after, a person named Ida signed up.

I asked her why.

She replied:

"I have been hearing of elisha and the Eagles from my friends. though I had little information but I have been hearing people saying if you want your problems to be solved use elisha's prayers.

Recently a friend added me on a WhatsApp group where most of the members are eagles and are doing different prayers with you. I was inspired by their love for Christ and their testimonies.

*I was born into a Christian family, but my prayer life has been lukewarm. **I need fire in my spiritual life. I need to grow spiritually.**"*

Her reply is on point.

She has zeroed in on the root of the problem.

(That's really the issue with most people who pray but never receive the answers).

A lack of fire.

Your Top 3 Desires?

You are reading this because you're one of the very few people on my list who received my email this week ...

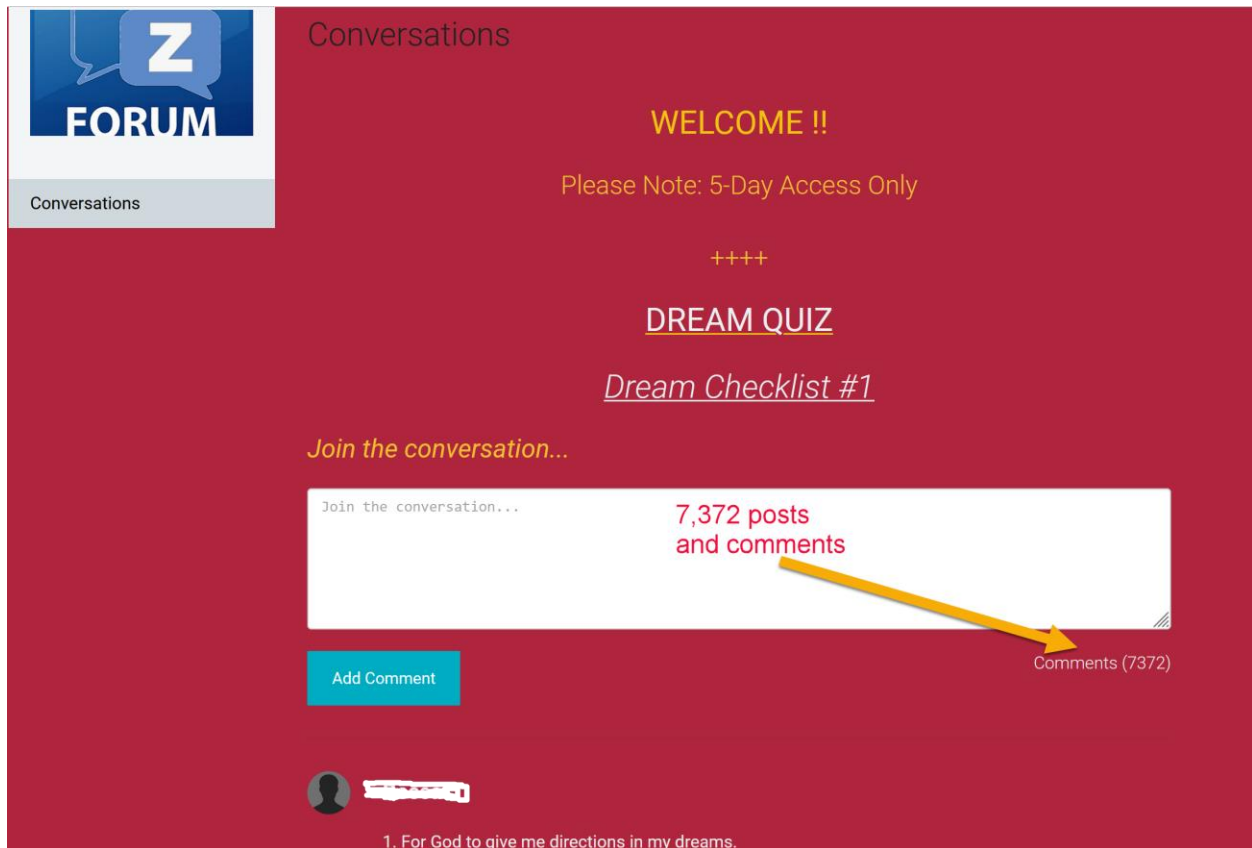

... asking you to write down the issues that keep you awake at night.

What made you sign up to receive our prayer bullet emails in the first place?

I asked for just your Top 3 challenges.

Thousands responded.

Some posted to the page below:

While thousands more sent their responses to my inbox.

When one of our prayer eagles (who is also a data analyst by profession) analyzed their posts, she found that ...

... 40 percent of the issues had to do with lack of finances.

There were other stubborn problems too (which I'll get to in a moment).

But first...

Please permit me to be blunt with you today

If I told you, I'll be praying for you for those problems to disappear overnight ...

I'd be deceiving you.

And that's one thing we NEVER do here.

Another thing we never do is ...

... sugarcoat something to make it appear easy.

So, I'm going to give this to you straight up...

As much as 75 percent of the issues posted are a result of foundational problems.

In our prayer marathons ... before we give you any prayers to pray

... we first expose you to a teaching on what the Bible calls "the foundation."

PSALM 11:3 asks a peculiar question:

If the foundations be destroyed, what can the righteous do?

Here's how we train our prayer eagles to think:

You start by looking at yourself as a building or a house – in this case a *spiritual* house.

Every house has a foundation, which must be strong enough to carry the weight of the superstructure on top of it.

How high the building goes and how well it survives the elements (wind, storm, rain) is determined by the strength of this foundation.

In one instance, the LORD gave Jeremiah the prophet these marching orders:

*See, I have this day set thee over the nations and over the kingdoms, **to root out, and to pull down, and to destroy, and to throw down**, to build, and to plant. Jer 1:10.*

The prophet was commanded to destroy certain things first before he could make any attempt to build or to plant.

As a Christian, for you to experience the dimension of blessings that God has for you, your prayers must start at the foundation ... *the very beginning* ... of life.

What can go wrong?

Now, there are 2 things that can go badly wrong at this foundation of a person's life.

When this happens other areas of life such as their spiritual maturity, their finances, health, marriage, or career are just sitting ducks for satanic attack, disaster, and failure.

If these 2 things are not quickly identified and dealt with through aggressively targeted and focused prayers...

... you end up with a situation where an individual could be praying for ages without receiving any answers.

These 2 foundational problems we are going to attack during this prayer riot.

Just to give you a small taste of what's coming... and why this is so important....

Foundational Problem #1: Hidden or Unknown Curses

Many are operating under hidden or unknown (or undetected) curses.

What is a curse?

- It is an evil spiritual energy originated through verbal pronouncements.
- It is a satanic mandate given to evil powers to attack and destroy a person, a place or thing.
- It is a counter force that fights blessings.

It falls into 2 categories:

1. Righteous curses
2. Unrighteous curses

1. ***Righteous Curses***

These are curses that a person richly deserves or qualifies for because she has done what she should not. God can issue

righteous curses. He has ordained the universe in such a way that once a person violates spiritual laws, a specific punishment follows.

In the Bible, so many things are classified as abomination... if you engage in them, there's an automatic curse that must follow.

The only way out of this is deep and genuine REPENTANCE. Nothing else will work.

2. ***Unrighteous Curses***

You may find it difficult to believe that there are powers assigned to curse believers and even churches... day and night.

And they do it religiously at the midnight hour (12 - 3 a.m.) every night when others are fast asleep.

You see them in action in Proverbs 4:16

For they sleep not, except they have done mischief; and their sleep is taken away, unless they cause some to fall.

Curses can run along generational lines and be transferred from parents to children... from one generation to the next.

These curses do:

- Bind a person to an evil cage and she ends up struggling for the whole of her life.
- Energize evil powers to attack a person once she enters a particular environment or situation (e.g. marriage).
- Significantly retard one's progress and cause them to operate below their potential all their lives.
- Suppress initiatives and achievement.
- Neutralize the best of human efforts.
- Work collectively against every member of a family, place, or nation.
- Oppose and divert all the blessings or benefits meant for an individual or family.
- Ensure that despite all the qualifications for success, the person routinely stumbles and falls at the edge of breakthroughs.

Now, these are spiritual realities that many churches in our modern world just prefer to "play the ostrich" about...

... that is, pretend they don't exist in the hope that things will be OK if they live in denial.

But it is easy to detect when someone is operating under a curse.

It is not rocket science.

You can even pick up telltale signs in your dreams.

In Job 33:14-18 we read:

For God speaks once, yea twice, yet man perceives it not.

In a dream, in a vision of the night, when deep sleep falls upon men, in slumberings upon the bed;

Then he opens the ears of men, and seals their instruction,

That he may withdraw man from his purpose, and hide pride from man.

He keeps back his soul from the pit, and his life from perishing by the sword.

Job 33:14-18

Your dream life is a spiritual monitor of sorts and there's a strong indication that a curse is in place if you CONSTANTLY dream of the following, among others:

- fighting unknown persons without achieving victory

- going on an endless journey
- having nightmares that seem to make no sense
- endlessly climbing without getting to the top
- sitting for examinations you couldn't complete before waking up
- getting to important appointments late
- plucking rotten fruits
- returning to your junior school or home where you lived as a child
- always serving others
- going around in circles
- seeing a black river flowing
- finding yourself in a cage, pit, jail, or prison
- always having a recurring dream before a problem starts
- regularly communicating with the dead
- etc.

The good news is...

There are powerful prayers to deal a death blow to all these problems.

To many, these prayers will bring instant solutions and answers.

To others it will take a while for the prayers to settle in and do a deep work... maybe weeks or even months.

Altogether, the program will last for 21 days (*not including the prep prayers*).

Day 1 - 7 we deal with your foundation.

Day 8 - 14 we turn our attention to health-related issues.

Day 15 - 21 we focus on destroying the stranglehold of debt & poverty, paving the way to financial release and breakthroughs.

A friendly tip for you

You may notice that the prayers for this phase look quite strange, unattractive and aggressive.

If you wonder why that is, just pay a visit to a building site where they are working on the foundation.

Very messy. Not a pretty sight at all.

However ...

Once the foundation has been solidly laid, a beautiful building is put on top and it hides all the not-so-attractive foundation of stones and concrete.

**The kind of prayers you are going to see here
is the type that no enemy can withstand**

The only thing that can hinder you is ANY unconfessed sin in your life.

Our approach to foundational prayer incorporates 9 elements given by revelation years ago.

It includes:

1. *recognizing the source of the curse*
2. *repenting of any associated sin*
3. *renouncing the specific curse*
4. *revoking and canceling the curse*
5. *restraining and binding the evil power behind it*

6. *reversing the curse*
7. *replacing the curse with blessings*
8. *seeking the freedom of Christ*
9. *resisting the temptation to go into bondage again*

Here's the order of events for the first 7 days.

Day ONE

You will take time to confess your sins to the Lord one by one. No rushing over this. See how Daniel did this in Daniel chapter 9. You will ask HIM to cleanse you with the blood of Jesus. Tell Him that you are deeply sorry and that He should not allow sins to hinder His move in your life.

Day TWO

You will be targeting your prayers at destroying the curses I've just described, using a specific pattern given by the Holy Spirit for effective deliverance.

Day THREE

Your prayers will be targeted at destroying the covenants of darkness (to be explained in the Forum).

Day FOUR

Your prayers will target your dream life (part 1).

Day FIVE

Your prayers will target your dream life (part 2).

Day SIX

Your prayers will target your dream life (part 3).

Day SEVEN

Your prayers will be targeted at performing a spiritual surgical operation on your MIND. Because your mind is the theater... where your battles are won or lost.

Who is this for?

This is for someone like Judith who at some point in the past had ordered some of the prayer manuals but was left confused about what to do.

She confessed:

Thank you for these manuals. God has truly answered me, I was looking at all the prayer materials wondering which ones to go at now.

It is also for you if you have access to any of our prayer manuals online ...

... **but have not yet joined the Prayer Academy Forum**, where we hold prayers, teaching, and coaching sessions for 13 weeks at a stretch.

Note:

If you have ever done the PA, I suggest you go straight to Lesson 5 and redo the fire prayers ... while you wait for your next prayer riot – (which will be 7 times more powerful / intense than this one) ... to be announced early next month.

One more thing...
before we start the prayers

Remember how I said the reason many believers do not receive answers to their prayers is because of a lack of fire in their lives?

Well, Lesson 5 of the Prayer Academy really takes a deep dive into this topic.

All I can say here is:

When there is no fire (or insufficient fire) in the life of a believer, so many things can and will go wrong.

It is a signal to the enemy that they are free to go on a rampage in that life without any consequence.

The solution is to get on fire.

Quickly.

A time-tested way to do this is to call forth the fire of deliverance aggressively during prayer.

Many of our prayers do bring down this fire without explicitly mentioning it.

See one such prayer in action.

How the enemy picked the wrong person to intimidate ...and failed miserably

"I went for general checkup last month and I was told after taking some blood tests by the doctor that he had detected thyroids symptoms, and I need to go for scan and ultrasound for my neck.

That was the exact week we had started Emerald Prayer. I told the devil you dialed the wrong number.

I went and they took the blood. After 3 weeks I had to go back for my result and some more scan and ultrasound for my neck.

Remember there was this prayer in Week 1:

**I receive the anointing to remove every yoke from my neck
and to put it on the neck of my enemies in Jesus name.**

I prayed that prayed like crazy person. I would take that prayer machine gun style for 15 to 20 minutes the whole week.

I went back last week. I got my result. No trace of thyroid was found on my neck.

Praise the name of our Lord.

The doctor said my blood result was very clear and best results ever.

Praise God praise God. He's indeed our Healer."

- Eagle Kamanda

Praise the LORD.

The prayer she prayed opened with these 4 words:

I receive the anointing ...

That's a reference to this fire of deliverance.

It is time to pray again.

Please close your eyes and take this prayer like a mad prophet:

Any seed of wickedness planted in my childhood, Holy Ghost fire, uproot and burn it to ashes in the name of Jesus.

You want to see some real fireworks?

Let's go here:

And Elijah answered and said unto them, If I be a man of God, let fire come down from heaven, and consume thee and thy fifty. And the fire of God came down from heaven and consumed him and his fifty. – 2 Kings 1:12

The prophet was in danger of being arrested and, possibly, put to death.

But instead, he turned the tables and arrested them spiritually - by bringing down the fire of God.

This is what gives us the license to pray like this sister did.

Because ...

When that fire is activated -

- It releases the power to terminate satanic oppression and

send evil arrows back to the sender.

- It fires up your life for divine exploits.
- Empowers you to rule over your enemies, whether they like it or not.
- Removes the veil of ignorance and gives you insight into the deep things of God.
- Brings your testimonies into rapid manifestation (e.g. your Top 3 desires).
- Destroys the yoke of sickness and diseases.
- Opens the door to financial favor.
- Ushers in an unending season of divine health.
- Positions you for environmental dominion (including your workplace).
- Cancels every agenda of untimely death.
- Barricades your life and family against tragedies.
- Restores the joy of marriage and family relationships.
- Makes your Christian Walk enjoyable and fruitful.
- And more.

Case study: Midnight hour deliverance

Speaking of deliverance from the devil's camp, look at this.

***"I was delivered from the spirits of witchcraft 3 days ago.
They said I wasn't listening to them anymore!"***

"I am sooo grateful to God.

I was delivered from the spirits of witchcraft 3 days ago.

Turns out I had been initiated by my grandmother when I was still young, she had made a deal and given me to the witches to do with me as they please.

I thank God for using you and for the prayer points you send monthly cause had it not been for them i would still be listening to instructions I was receiving from them.

To sleep with men and destroy their businesses, their lives, and to

destroy a powerful church I'm now attending.

Your monthly prayer points resulted in me remembering my dreams about snakes being programed into my body, me at evil gatherings with strangers in robes.

Dream attacks also increased but I didn't stop firing the prayer points @ midnight, God just impressed it on my heart to go back consult the pastor whose church i was meant to destroy.

The God I serve is mighty and powerful. I went to see our pastor and I manifested 4 spirits of witchcraft which were inside me.

They said that I wasn't listening to their instructions anymore. GLORY TO GOD and I was waking up at midnight praying no matter how hard they tried to make me sleep and miss the midnight hour.

I would still disobey them wake up praise and worship God and go onto fire the prayer points.

I will forever praise Him. He rescued me from the enemy's camp.

Two prayer points always come to my mind when im praising God for what he did for and I believe they played a MAJOR ROLE.

'My head disobey every satanic law in Jesus name.'

'Oh LORD, reveal beneficial secrets to me in Jesus' name.'

People shouldn't underestimate the power of praise n' worship, midnight prayers and these prayer points carved from bible verses.

It might seem like nothing's happening but in the spiritual realm things are being moved and shaken up." -- Eagle Tee

Please take note of the 2 prayers she shared in this testimony.

So many people walking around today were initiated into cults long ago without their knowledge or permission.

And today they are going through an endless cycle of affliction in almost every area of their lives.

If such people were to take these prayers with fire in their spirit, they will be pleasantly surprised at the result.

It is time to pray again.

(This one might sound a bit strange to you but please pray it all the same).

I pull down the warehouse of the strongman; I recover the fragments of my soul by fire in the name of Jesus.

Part of that prayer comes from Psalm 7:1-2.

It is targeted at a problem of immense proportion today, especially among the youths.

Now is your turn...

It is a season to call forth the fire of deliverance to deal with:

- Today's boasting goliaths, pharaohs and herods.
- Deeply rooted generational problems running along the family bloodlines (poverty, marital distress, sickness, etc).
- Problems engineered by stubborn witchcraft powers.
- Problems caused by unfriendly friends and their satanic networks.
- The satanic brigade of degenerates seeking to pollute our children using the media, big tech and even the educational system.
- Household and workplace witchcraft.

- Satanic gates and portals opened in our environment.

On the flip side, we ACTIVATE the fire of deliverance to

- Deepen our walk with the LORD.
- Flood our lives with divine abundance daily
- Bring our testimonies into rapid manifestation.
- Destroy the yoke of sickness and diseases.
- Open the door to financial favor and opportunity.
- Usher in an unending season of divine health.
- Bring peace and tranquility into the home.
- Enable marital and career breakthroughs.
