

**The Erotic Blueprints**
**{created by Miss Jaiya}**

The superpowers for each blueprint may be hidden under conditioning, programming, past pain & trauma. The more of the inner work you do to heal & reclaim your sexuality, the more you'll connect with the superpowers of your blueprint{s}.

**The Energetic Blueprint Superpowers**

- You're very, very sensitive energetically, physically and emotionally
- You're able to have energetic, non-genital, full-body, and/or multiple orgasms

- It can be easy for you to move sexual energy throughout your whole body
- You have the ability to connect on a deeply spiritual/emotional level
- Your arousal can start way before any physical connection or touch happens (as a matter of fact, sometimes touch actually kills your arousal)
- You can ride on the waves of someone else's pleasure
