

TRUFORGIVENESS THERAPY

The Treasure Map Transcript

War on Ukraine

To those personally affected by the war on Ukraine, I am sending you all of my love, as you traverse this difficulty in time. But the war not only affects those in Ukraine, but Russia and the world at large. For those on the sidelines, do not fight fire with fire. Truly forgive the darkness to begin to extend light that grants miracles and not madness.

The Faith of God

True FAITH takes you back to God, to the reality of Perfect Love, which is what God created You to be. It is how you truly forgive and make miracles your own.

FORGIVENESS

This is a choice. It is one you make against an ego judgment that seeks to affirm the belief in separation from Source.

AUTHENTICITY

You must take accountability for what you experience. For the true cause of your pain is the choice of ego thinking.

INTROSPECTION

You must withdraw the darkness you see without, purifying it from within until only love remain.

TRUST

When you have completed the mind-correction from fear to love, trust is found, for it belongs to wholeness.

HONESTY

Honesty holds true in the right mind, where the true and positive Thoughts You share with God can be found.

Guidance

1. Utilize The Treasure Map to remove the cloud of darkness that is keeping the truth of Perfect Love from your awareness. Then watch the miracles unfold, as you begin to extend love, instead of projecting the guilt of sin. Undo the darkness that hides the reality of who You are: perfect, peaceful and powerful, which will correct your picture in time you were set to face.
2. The Treasure Map will take you anywhere from 1.5 to 3+ hours to finish, depending upon how deep you are willing to dig.
3. Please ensure you follow the process of FAITH, the practice of the 'I Forgive' principle, until you place your Truforgiveness upon the altar to God. You will be weaving a miraculous melody that will lead you to heal a hole that leaves you in the dark. For the remembrance of wholeness will be found at the end. Love is perfectly whole, for it can have no opposite. And it is Perfect Love that makes up the One Mind, where there is no belief in sin, separation, sickness, and suffering.
4. Trust the voice within that will tell you when you need to move on to the next question. This is important, as it is also this silent voice within that gives you the layers of guilt you need to forgive to free. Please do not allow the voice of ego judgment to jump in and offer feedback for what you are truly forgiving. This work is for Truforgiveness only, which is the opposite of judgment.
5. As you journal, allow the feelings to move through your body. Breathe into them. They might be uncomfortable, but it is these emotions that are covering the truth of your Perfect Love and peace.
6. The answer to the question can be found in the mini-map before it, as this is one complete treasure map in total.
7. Do not be afraid of the darkness you are encountering within. If it is not within you, you will not find it. As long as you are diving deep with Truforgiveness and not judgment, you will be safe. The story of this life does not matter, for you are the dreamer of the dream. Truly forgive the shadows of sin to be returned to your truth of innocence and remember the love you share with everyone.
8. This process of Truforgiveness Therapy is simply removing the barriers to the awareness of love's presence within you.
9. You must truly forgive everything that surfaces, no matter what. You only receive true healing when you truly forgive. So, this work is not to be used to seek confirmation for events of the past, for the true cause is always some aspect of the decision to be separate instead of whole.
10. At the end of The Treasure Map, you would have begun to remove those separating thoughts that keep the truth of Oneness out of your awareness. By correcting your thinking, from the wrong mind to the right, you will find the truth of love inside, Perfect Love. This is how miracles are made, as this is the shift in perception from dark to light.

Disclaimer

I am not a traditional therapist, nor a doctor. In no way should this material replace what your care professional says. I am neither responsible nor liable for any harm or injury resulting from the use of this material. I've written this from personal experience in the hope that it may assist others. It is up to each seeker to take responsibility for their own healing. I wish you every success, peace, safety, and joy on the path to unlearning fear to remember Perfect Love. Do not be afraid of the shifts that take place when forgiving within, they can be extremely powerful, for it is a pathway to spiritual awakening.

Remember, blame is the outward projection of an inward condition. Whilst you seek to point the finger at another, you cannot know the Self that is perfect, peaceful and powerful.

For this Self of wholeness and holiness belongs to Perfect Love. Allow yourself to be empowered by truly forgiving the guilt to remember grace.

Intention

What do you do with this treasure map?

What do you think of war?

What do you think of the war of Russia on Ukraine?

Complete Your Map

Your treasure map is next...

DROP INTO THE LOWER GUT

You must truly forgive the layers in the subconscious mind with the 'I Forgive' principle. Not what is in your conscious mind.

CLEAN WITHIN EACH LAYER

Apply the 'I Forgive' principle to each layer you find. Ensuring you go deeper within. Deeper down.

GETTING STUCK

If you get stuck on a layer, continue to repeat the same 'I forgive...' statement that you are on. This is called an ego block.

WITHDRAW THE ENTIRE SHADOW

If completed correctly you will find release from fear as you discover the well of love within, that belongs to the right mind.

TRUE HEALING

True healing is when you have purified what you think from fear to love, as you let go of illusions to know truth.

By mentally tapping on each layer with the 'I Forgive' principle you will eventually open the door from dark to light that leads to the love you seek: Oneness with Perfect Love, Source or God. But you must be truly forgiving that which is in your subconscious mind, not the myriad of thoughts that belong to the ego-mind.

The key is to go deep within, which is why each treasure map consists of a series of 30-questions to ensure you do complete the correction from the wrong mind to the right, which is how miracles are made.

You will eventually find the love you seek that is perfect, peaceful and powerful. It has been hidden underneath the darkness inside, the ego tells you not to look upon.

Question:

I forgive

Notes

THE 'I LOVE' Principle

From the right mind within what love do you have for those affected by war?

I love

THANK YOU!

To be truly helpful is to withdraw the shadows of separation that seek pain, problems, and punishment in time. You have the power within to change the world, and as you reclaim the peace of Perfect Love you start to extend this without. As we each stop projecting the shadows and instead extend love, we will move from the nightmare and into the happy dream that precedes spiritual awakening. For those in the front line, being battered and bruised, I am sending you all of my blessings. Continue to truly forgive everything to move out of the shadows of suffering sooner rather than later. And always listen to the inner voice as to the right path you are to follow.
