ABOUT JULAINÉ SMITH

Julaine Smith, CPA is a business owner, author, former radio talk show host, and creator of the S.O.U.L. Plan®, a framework for business leadership and financial management that's proven to bring power and purpose to entrepreneurs who create Eternal Wealth. She is the founder and co-Managing Member of Ametra Advisors, an accounting and business advisory firm, and the founder of the G Corporation Incubator, an online business coaching platform. .

Before becoming an entrepreneur, she was division Chief Financial Officer for AT&T Broadband, Director of Technical Accounting for Pacific Telesis Group, Operations Controller for InterMedia Management, and Senior Auditor for Price Waterhouse. She serves on several private and nonprofit boards of directors and the advisory board for the School of Business and Management at Northwest University.

WHAT MAKES ME COME ALIVE!

SPEAKING TOPICS

PURPOSE BEYOND PROFITS

Aspiring for wealth creation without understanding your purpose will lead to financial, emotional and spiritual captivity. In this presentation Julaine shares how to align your purpose for business success with your desire to fulfill your life's purpose so you can live fully alive and wealthy .

KNOW YOUR BUSINESS PLAN

Small business owners are visionaries. But is your company's vision and plan on paper? Julaine will inspire you to document your business plan and share knowledge that will help you turn a fledging business into a thriving success.

RAISING CAPITAL FOR YOUR BUSINESS

Capital is the lifeblood of every business. Are you really ready to raise capital for your business? Julaine shares strategies, tactics, and trends of capital formation and the do's and don'ts of bootstrapping.

Activating the greatness of the gifts and power inside of you to effectively lead others and manage economic resources - not by hiding your faith, but by fully integrating it with you work - is how you'll build a profitable business. You'll live fully alive and wealthy when your belief in and relationship with God influences your relationship with money and the kind of business leader you become. My purpose is to help you live a fully alive and wealthy life!
