

Biography

Per-Ivar Stokkmo

Per-Ivar has enjoyed a CEO/COO career in growth companies across multiple industries. He is a seasoned executive from multiple roles in management consulting, professional services and recruiting.

Per-Ivar started his career with 15 years service at the Royal Norwegian Air Force in both international operations and various management positions, including 9 years at the Headquarters Defense Command Norway. With two Masters degrees from BI Norwegian Business School and Norwegian Air War College as well as The Air Force Staff College.

Per-Ivar has displayed exceptional leadership and business development capabilities in his 25+ years at top management of management consulting firms and professional services in logistics, healthcare, staffing and recruitment. His bandwidth is infused with speed of trust and allows direct management of multiple teams with different goals.

Per-Ivar now heads the overall administrative operations of Moonwalk and its personnel across multiple locations. He is the Operations Director to the Moonwalk Group companies and the CEO.
