# LET'S TALK

---

**Jesus is building His Church and the gates of hell will not prevail against it! There is only one plan and that is The Church.**

How have you seen The Church as "the hope of the world" in your own personal life?

How have you seen Jesus prevail to continue the work of building The Church through the attacks of the enemy in the past year?

**In Ephesians 4:1, Paul exhorts us to be a "prisoner" of the Lord and to be all about the Father's business. Our personal destiny is linked to that cause.**

What does this mean to you personally and practically?

When/how did you discover this truth and how has God used you for His eternal purposes?

**Jesus prayed that The Church would be united as one, just as He and the Father are One.**

Why is unity in the The Church so important?

In what ways is the enemy deceiving and dividing The Church and how can we have a greater awareness of these strategies?

**Each member of the body of Christ is completely unique and each of us have a responsibility to do our part in building up the body.**

How has God made you unique?

What are the unique gifts/passions God has given you?

In what unique ways do you see yourself building up the church?

## pray it out:

Father, thank You for the eternal hope we have in Your Son, Jesus. Thank You for what You are doing on the Earth. Jesus is building His Church and I choose within myself to be all about Your business on the Earth. Help me to discover my personal destiny and my role in building The Church and help me to be a unifier within The Church. I pray that The Church would be one just as You and Jesus are One. I pray that we would continue to move forward and become all that You've called us to be and I choose to commit myself wholeheartedly to seeing it come to pass. In Jesus' Name, Amen!
