# LET'S TALK

---

**When we've sought the Lord for answers, prayed, read the Word and done all we know to do...then stand in faith and sing praises to the Lord! He'll bring the victory!**

Why do you think it's important for us to praise the Lord, as we wait for the answers and victory we've been praying for?

What are some of your current go-to praise & worship songs?

How do you weave praise & worship into your daily routine?

**We clearly see Jesus, our great and mighty King, in every book of the Bible.**

What's one of your favorite books of the Bible? Why is it your fave?

Jesus is our healer, our redeemer, our Savior...He is all these things and more to us! What is one life experience you've been through where you saw one attribute of Jesus become "real" to you?

# LET'S DO THIS

## put the message into practice:

---

- take time to intentionally worship the Lord this week to focus your thoughts on Him and the victory you have in Him.
- read 2 Chronicles 20 and ask the Lord to give you a deeper understanding of the power of worship.
- read a book of the Bible you haven't read before and see if you can uncover more attributes of Jesus to learn more about Him.

## pray it out:

---

Father, thank You for the victory I have in You. There may be battles I am currently facing, or battles yet to come, so help me to seek You and focus on praising You! I know You cause all things to work together for my good and I choose to worship You in the midst of any circumstance I may find myself in. You are good and You are FOR me, so who can be against me?! Hallelujah! In Jesus' name, Amen!
