

Speaker Introduction for your MC/host.

HOW TO INTRODUCE CIARA LANCASTER TO THE STAGE:

Next up I'm delighted to introduce our guest speaker.

Ciara Lancaster has spent the last 20 years working in sales, operations and change leadership roles.

After leading teams of 500+ through business transformation efforts as a Change Manager at Deloitte Australia, she went on to author the best-selling organisational behaviour book, 'Reimagine Change'.

Let's give a warm welcome to change fatigue and resilience expert, Ciara Lancaster.

(MC Note: 'Ciara' is pronounced like Kirra Beach in Queensland, alternatively 'Ciara' is pronounced like actress Keira Knightly from the movie Love Actually.)

HOW TO FAREWELL CIARA LANCASTER FROM THE STAGE:

Thank you so much for sharing your insights on such an important topic for our business and team. I'm sure others will agree that there were some wonderful tips and tricks for us to put into immediate practice.

Ciara will not be taking any questions from the stage, however she wanted you to know that she will be available afterwards and circulating in the crowd to meet you personally and respond to questions then.
