

## Jeanie B! Bio

Jeanie B! was raised on Folk, Rock, & Country Music and is bringing up the next generations on her special brand of it! A multiple Billboard and Parents' Choice award winner, this energetic performer has been called "Velcro for kids."

Jeanie's style is upbeat but laid back and authentic. She has a real connection with the kids. Her shows are jammed-packed with dancing, sing-a-longs, and interactive music and plenty of silliness; everyone goes home happy. Parents love her music too and find themselves listening to her music even when the kids aren't around.

This veteran musician is also a renowned music teacher, having spent nearly 2 decades in the classroom. Ever educating young minds she often folds important life lessons into her songs.

On every level, Jeanie B! and The Jelly Beans band are a tight groove machine made of seasoned pros Michael Krayniak on Bass and Paulie Bivans on Drums, that will keep everyone thinking and dancing on their feet.
