

Write a Book
Build Your
BANK!

CRYSTAL L. BASS

Are you tired of watching the success of others?

Has becoming an author been a low-key dream of yours?

You've heard the saying—"We all have a story to tell."

But I like to say—We all have a story to **SELL!**

You are a walking PAYCHECK. You have a MILLION DOLLARS in your brain! The key is figuring out how to get it out of there! There is no such thing as a starving artist.

Did you know that you can Write a Book and Build your Bank Account using the life you already live - chronicling your own unique experiences?

I did it and I'm sharing all my success secrets with you in this course!

Stick to **WHAT YOU KNOW!** No need for months of painful research. I'll simplify your writing process and save you time and money by avoiding unnecessary pitfalls!

Don't miss out on the perfect program that will help you get your story out of your head, off your heart and on paper!

Turn your passion, pain or pleasure into profit!

You can become an author, make hundreds of thousands of dollars, even if you don't sell one book and create a legacy that outlives you!

I can help cut your learning curve and get to the money faster.

Here are your options:

Option 1:

You can spend years trying to figure it out on your own. But I can save you time, energy and frustration. Time is precious and valuable and is a special resource that you can't save or store for future use. Once it's gone, you can never get it back.

Option 2:

You can continue sitting on the sidelines wishing you had a book. Then you'll regret that you never packaged your experiences into something marketable and profitable.

Option 3:

You can keep watching the success of other writers and aspiring writers. You can keep reading their books and watching them shine on social media. You'll keep watching them get paid for speaking engagements.

OR

Option 4:

You can invest in yourself. You can enroll in this course, step out on faith and step into your greatness! You can work with someone who's behind dozens of book launches and play scripts—If you follow the step by step method, and implement, then you can achieve great things even if you write but don't sell one book. I'll show you how to work smart and leverage your strengths to get the results you want. If you've been struggling with where to start, what to write about and what to do after the story is written, this course will give you all the tools you need to achieve your writing goals. Plus, you'll have access to me! So, use me as a resource! If you're ready to kick your writing career into gear, join me and other successful writers in this one-of-a-kind program of support, accountability, and learning.

No more procrastination.

If you are feeling lost, fearful, lazy, stuck, or just need some guidance and accountability, you're in the right place!

Remember, I was once an aspiring writer just like you. I created this course because I could not find book writing courses **SIMPLE** enough for me to follow. I felt extremely overwhelmed. I started talking myself out of my blessings! I went at it completely alone and the process took years! It was a long, lonely and unnecessary road! The good news is: You do not have to go at it alone. I operate in total integrity and I take a personal stake in your success.

Whatever your challenges are, trust me, I've seen those same challenges in my clients, or I have suffered from those challenges personally. Whatever you are stuck on, I've been stuck on it too, or I've had a client stuck there before.

So, I'm pretty sure I know how to solve it.

If you are ready to level up, build your bank account, and create multiple streams of income, **YOU ARE IN THE RIGHT PLACE.**

Join Creative Writer's University today!

Enroll in the course you need to create the writing career and life you deserve.

Maya Angelou said, "There is no greater agony than bearing an untold story."
