“Helping people like you to become more **confident, productive** and **successful** through our fun and interactive Excel Workshops.”

Excel Academy has established a reputation as a global leader in improving productivity and success in the workplace through Excel.

Dan Stillerman founded Excel Academy in 2014. This came after 4 years of working as an Actuary, and pushing Excel to the limits. To date, the team has impacted over 12,000 people.

Workshop levels

Excel Academy offers 3 workshop levels - designed to build fundamental Excel proficiency, confidence, actionable business insights, time-saving efficiency and automation.

The Foundation | Working Smarter | Best Practices

- Highlights: Keyboard shortcuts, formulas, functions, formatting, etc.
- Not a 'beginners' course.
- Sets the scene for Excel 202 and 303.

Data Analysis | Dashboards | Business Intelligence

- Highlights: VLOOKUP, PivotTables, dashboards, etc.
- 'Intermediate to advanced' Excel.

Macros & VBA | Automation | Tool-Building

- Excel's secret programming language.
- No prior coding experience required!

Delivery method

Excel Academy's workshop delivery method has evolved over the years from in-person training to 'Gamified Blended Learning'. See overleaf for a step-by-step guide.

Personalized. Go at your own pace, pause, rewind, rewatch.

Flexible. Study in your own time, in the comfort of your own home or office.

High touch support. Via email, WhatsApp, phone calls.

Gradual learning. Complete the workshop over a period of time thus avoiding the risk of information overload.

Avoid falling behind on your work. No need to be out of the office for 8 hours straight.

Affordable. Our 2019 rates are lower than 2016 levels!

Lifetime access. Rewatch and refresh.

EXCEL ACADEMY

“The most engaging Excel training we have ever experienced.”
~ Sophie Bristow | Bloomberg NYC | Learning Design and Technology

“High quality material, professional and passionate presenters. Can't wait for the Excel 202 training. Definitely recommended!”
~ Justin Johnstone | Mazars SA | Audit Trainee
