

Sales Mastery Company

*Superior Public Speaking & Presentations™*

Do you ever feel like:

- Your sales team lack consistency when presenting?
- Your leaders lack confidence in public speaking?
- Your presentations lack true structure to work?

If yes, you're likely losing clients & internal productivity.

## Course overview

Walk away with more confidence, more knowledge and more skill at delivering business presentations, as well as having the draft structure of an actual presentation you can deliver in real life after the course.

## Who will benefit?

Sales representatives, sales & marketing managers, business development managers, general managers & business owners.

“It gave us the skills to address an audience, large or small.”  
– Stephen Broadbent, Rockwell Automation, New Zealand

## What is covered?

- Plan, structure, write and deliver professional & effective presentations
- Adapt your style & approach for different presentation uses
- Alter your approach for different personality types
- Deliver off-the-cuff presentations effortlessly
- Practice some of the key skills in a safe & easy environment
- How to be confident and more consistent in your presentation delivery
- Learn how to speak to camera confidently each time
