

Dog Instructor Course

Do you want to become a Dog Instructor/trainer?

Learn more about dogs, how to interact with them and how to train the easiest way?

How they speak, think and react and why they do it?

Let us take you to your next goal - Become a dog trainer/instructor.

This is our basic training for those who want to learn more and work with dogs.

The school was started in 1992 by Cilla Danielsson. With the vision that all dogs in Sweden would receive a good, positive and reward-based training and is today a leader in the Nordic countries. Our teachers are well trained, with many years of experience with how to teach and dog training, so that you get a solid training with personal guidance and coaching.

Ethically designed, based on the dog and owners conditions.

Certification

If you want to become a certified Dog Instructor that is possible after completing the training.

Own dog

We have a lot of practice and you are welcome to bring your own dog, provided it does not interfere. If you do not have your own dog then you are welcome to borrow from our teacher.
