

SEND payment with TRANSFERWISE

TRANSFERWISE is the cheapest way to send money abroad as you don't pay any bank fees but only a commission.

If you don't have a TRANSFERWISE account yet, you can create your account with this link for my friends

<https://transferwise.com/u/simonea46>

and get a free international transfer to my account (see below).

Once you have set up your account you can send your payment to my USD account which is in the US (see below).

If you have TRANSFERWISE please send your payment to my USD account which is in the US (see below).
